

Authority	Average Number of Days Per Employee Lost to Sickness Absence
Gosport	9.8
Havant	9.5
Southampton	10.16
Portsmouth	9.1
Average	9.6

This table reveals that the average number of days over the four authorities is 9.6 days per employee. Portsmouth is currently below the average.

Statistics are unchanged from the previous report as they have only been released on an annual basis. This table is data from May 2011.
