**DATE:** 15<sup>th</sup> November 2012

**REPORT BY:** Jon Bell, Head of HR, Legal and Performance Improvement

**REPORT** Procurement Management Information

TITLE:

It is recommended that the attached appendices 2 & 3 be considered as an exempt/confidential matter and that the press and public are excluded for the following reasons:

- Exempt information is defined in section 100A and, by reference, Schedule 12A of the Local Government Act 1972 ("the 1972 Act"). To be exempt, information must fall within one of the categories listed in paragraphs 1 to 7 of Schedule 12A, must not fall within one of the excluded categories in paragraphs 8 and 9 and the public interest in maintaining the exemption must outweigh the public interest in disclosing the information;
- The attached Appendices 2 & 3 contains some information relating to the financial or business affairs of particular companies as well as PCC; and
- Although there is a public interest favouring public access to local authority meetings, given the financial and commercially sensitive information contained in the report the public interest in maintaining the exemption outweighs the public interest in disclosing the (exempt) information.

### 1. Purpose of Report

1.1. The purpose of the report is to update Members on steps being taken to demonstrate that PCC is achieving value for money from its contracts for goods and services.

### 2. Recommendation(s)

- 2.1. That members note we have surpassed the target of 95% conformance and achieved 97% for August 2012.
- 2.2. Our year to date conformance of 96% is now running above the set target, therefore, it is recommended that the frequency of reporting to G&A&S moves to half yearly from the present quarterly arrangement.
- 2.3. That members note the performance of our suppliers and contractors and action in progress to address poor performance.

## 3. Report

#### 3.1. Conformance Checks

- 3.2. In September 2010 the Head of Procurement submitted a report to the Governance and Audit Committee outlining steps that are being taken to demonstrate that PCC is achieving value for money for its contracts for goods and services.
- 3.3. Fundamental to this is that the City Council has the ability to demonstrate that we are paying competitive rates by subjecting Procurement to a competitive process (where practical). In addition we need to ensure that we obtain the quality of service that we are paying for.
- 3.4. Members approved a recommendation of a target of 95% conformance with Contract Procedure Rules be achieved by 31/03/2011. This report takes Payments to Contractors from the Oracle System and matches them to contracts held on the Contracts Register. Legal services have commented that whilst this methodology is indicative of good practice, is not definitive as to compliance with legal requirements.
- 3.5. The purpose of this the report is to update members on progress made by services up to the end of August 2012 and to provide Members with a progress report to monitor the situation (see appendix 1 for year to date performance).
- 3.6. An explanation of those service areas where conformance requires improvement is detailed in appendix 2 (Exempt).
- 3.7. Conformance has improved year on year from 93% in August 2011 to 97% in August 2012 and year to date conformance is 96%.
- 3.8. In August 2012 there was £ 84,345 of spend that was compliant with Contract Procedure Rules but not registered correctly on the E Sourcing system "InTend", had these contracts been entered correctly the conformance figure would have been 98%.

Category Business Partners from Procurement are working in partnership with services to implement solutions to resolve non conformance and reduce administration issues.

These will continue to report until the end of their defect period. Contract Managers inform providers of their red status as they seek improvements/remedies.

#### 5. **Equality Impact Assessment**

5.1 An Equality Impact Assessment is not required as this is not a change to policy or service delivery.

#### 6. **City Solicitor's Comments**

6.1 The comments of the City Solicitor are contained within the body of this report. It is within the powers of the Governance and Audit and Standards Committee under Part 2 section 2 of the Constitution to approve these recommendations.

### 7. Head of Finance's Comments

- 7.1 There are no financial implications directly arising from the recommendations in this report. However, the report has identified issues which could have value for money implications and consequently will need addressing in the short term. It should also be noted that the report on contract compliance is based upon orders raised over £5,000 although orders up to £10,000 do not have to be included on the contracts register.
