3. Background

3.1 The Annual Audit Plan for 2012/13 was drawn up in accordance with the agreed Audit Strategy approved by this Committee on 27 January 2012 and following consultation with Heads of Services, Strategic Directors and the Chair of this Committee.

4. Recommendations

4.1 That Members note the Audit Performance for 2012/13 to 5th October 2012.

- 4.2 That Members note the highlighted areas of control weakness for the 2012/13 Audit Plan.
- 4.3 That Members note the changes to the Audit Charter and Terms of Reference and the impending new National Auditing Standards.

5. Audit Plan Status 2012/13 to 5th October 2012

Percentage of approved plan completed

- 5.1 Of the 136 planned Audits for 2012/13, 53% have been completed or are in progress as at 5th October 2012. A higher rate of achievement than for the same period for the last two years. This represents 33 audits (24%) where the report is finalised, 7 audits (5%) where the report is in draft form and 32 audits (24%) currently in progress. Appendix A shows the completed audits for 2012/13.
- 5.2 As requested by Members of the Committee a breakdown of the assurance levels on completed audits is contained in Appendix A.

Reactive Work

- 5.3 245 days have been allowed for reactive work and investigations in 2012/13 and 171 days have been used to 5th October 2012.
- 5.4 The 171 reactive days were used for completion of 20 carried forward audits, 3 carried forward special investigation, 4 new special investigations, 1 unplanned item and 25 items of advice.
- 5.5 Special Investigations work undertaken in 2012/13 can be categorised as follows: Three carried forward and four new special investigations including:
 - 3 Whistleblowing investigations
 - 3 Financial investigations
 - 1 Forensic PC Examination
- 5.6 Items of reactive work due to changes in priorities, involving an Audit Review or Internal Audit acting in a consultancy role included, amongst other things:
 - The Local Enterprise Partnership (LEP) Start up Grant review.

Exceptions

- 5.7 Of the programmed reviews completed so far this year the number of exceptions in each category have been:
 - 1 Critical
 - 48 High Risk
 - 0 Medium Risk
 - 3 Low Risk (Improvements)

- 5.8 Overall, there are two areas of the control framework that are showing as being the weakest areas of assurance:

6. Areas of Concern

Concerns identified since the last meeting

6.1 There are no new areas of concern (critical exceptions) highlighted in finalised 2012/13 since the previous report to this Committee.

7. Review of 2012/13 Audit Plan

7.1 The 2012/13 Audit plan has been reviewed by the Chief Internal Auditor. The review is undertaken each October and takes into account any changes to priorities or activities since the formation of the Audit Plan in March. The outcome of the review is that one Audit is to be removed from this year's plan namely The Community Infrastructure levy (CIL) which replaced s106 payments re planning. This is because whilst a process is in place for the new type of payments, none have been received so there is nothing to test. Even if there were to be some activity it is unlikely to be more than one or two payments which would not be sufficient to adequately review.

8. Audit Charter and Terms of Reference

- 8.1 The Audit Charter and Terms of Reference which set out the roles, scope and responsibilities of Internal Audit to the organisation as well as the responsibilities of the organisation to Internal Audit, have been updated to reflect changes in the organisation e.g. S151 Officer and Head of Service changes. CIPFA have set the standards for Internal Audit in the Public Sector and the Institute of Internal Auditors (IIA) has set global standards. CIPFA and the Institute of Internal Auditors UK have worked together to introduce one code of practice and standards which will have a further impact on the Audit Charter and Terms of Reference.
- 8.2 The new Standards are just about to be published so any changes will be reported to this Committee once they are known.

9. Equality impact assessment (EIA)

9.1 A preliminary equality impact assessment has been carried out which has revealed that the contents of this report do not have any relevant equalities impact and therefore a full assessment is not required.

10. City Solicitor's Comments

- 10.1 The City Solicitor has considered the report and is satisfied that the recommendations are in accordance with the Council's legal requirements and the Council is fully empowered to make the decisions in this matter.
- 10.2 Where system weaknesses have been identified he is satisfied that the appropriate steps are being taken to have these addressed.

11. Head of Finance & S151 Officer Comments:

- 11.1 There are no financial implications arising from the recommendations set out in this report.
- 11.2 The S151 Officer is content that the progress against the Annual Audit Plan and the agreed actions are sufficient to comply with his statutory obligations to ensure that the Authority maintains an adequate and effective system of internal audit of its accounting records and its system of internal control.
