- 3 Minutes of Previous Meeting - 18 March 2015 (Pages 1 - 2)**

Whilst there has been some change in membership of the EDCL Scrutiny Panel for this municipal year some members remain on it so will be able to propose the agreement of the previous minutes.

4 New review topic regarding widening student opportunities - discussion of scope of the review

The Scrutiny Management Panel on 31 July asked that the EDCL Scrutiny Panel undertake a review:

'How to develop wider opportunities - especially to consider involving students from the University and those in other further education, to the mutual benefit of the students and the City Council'

Members of the panel are asked to discuss the scope of this review and possible witnesses to be asked to contribute to it.

Members of the public are now permitted to use both audio visual recording devices and social media during this meeting, on the understanding that it neither disrupts the meeting or records those stating explicitly that they do not wish to be recorded. Guidance on the use of devices at meetings open to the public is available on the Council's website and posters on the wall of the meeting's venue.
