6		<p>Childcare Early Implementer Status</p> <p>DECISIONS:</p> <p>(1) To note the award which will mean Portsmouth is part of the national pilot to work in partnership with its local Early Years providers to develop additional places with the flexibility that working parents need. The pilot will mean Portsmouth can develop 30 hours of free childcare for working parents in advance of the national roll out in September 2017. This childcare will meet the needs of particular communities including those in deprived neighbourhoods, children with SEND providing high quality childcare for all participating 3 and 4 year olds.</p> <p>(2) The involvement in this exciting national pilot will enable the local authority to try out innovative ways of working and enable feedback from Portsmouth Early Years providers and other findings to inform national policy. The grant to support this pilot currently stands at £55,000 but may increase and funding will be paid to the LA through a Section 31 grant. In the event that this is not ring fenced the Cabinet agreed this grant is allocated in full to the service for the implementation of this pilot.</p>	<p>Catherine Kickham Early Support Commissioning Manager</p>
