3 Minutes of the Meeting Held on 31 July 2015 (Pages 1 - 4)

RECOMMENDED that the minutes from the meeting held on 31 July 2015 be confirmed and signed by the Chair as a correct record.

4 Consideration of Revised Topic for review put forward by the Traffic Environment and Community Safety Scrutiny Panel (TECS)

At its meeting held on 28 September 2015, the TECS scrutiny panel resolved to submit to Scrutiny Management Panel (SMP) for consideration a review to replace that proposed by SMP at its 31 July 2015 meeting.

The proposed new review topic is "Community safety - looking at the roles of Community policing, community wardens, city centre managers, the fire service, neighbourhood watch and CCTV."

SMP is invited to consider whether or not to agree the review topic proposed by TECS.

RECOMMENDED that Scrutiny Management Panel consider whether or not to agree the topic put forward for review by the TECS scrutiny panel at its meeting on 28 September 2015, instead of that proposed by SMP at its meeting on 31 July 2015.

Members of the public are now permitted to use both audio visual recording devices and social media during this meeting, on the understanding that it neither disrupts the meeting or records those stating explicitly that they do not wish to be recorded. Guidance on the use of devices at meetings open to the public is available on the Council's website and posters on the wall of the meeting's venue.
