The report by the Director of Regeneration is to report on the Council's proposal under TRO 108/2017 and the public response to it, in relation to the KC West Southsea residents' parking zone.

RECOMMENDED that the 'Portsmouth City Council (KC West Southsea) (Residents' Parking Zone Amendment) (No.108) Order 2017' be implemented as advertised, reducing the free parking period within the KC zone residents' parking bays from 3 hours to 2 hours.

5 Elkstone Road Traffic Calming - Results of Public Consultation (Pages 23 - 30)

To consider the responses to the public consultation regarding the proposals to implement traffic calming within Elkstone Road.

6 Slingsby Close - Double yellow lines (TRO 115b/2017) (Pages 31 - 36)

The report by the Director of Regeneration is to consider residents' responses to the proposed double yellow lines in Slingsby Close; a cul-de-sac within Pembroke Park.

RECOMMENDED

- (1) That the double yellow lines are not installed at this time, primarily due to the objections from residents but also the lack of evidence to show Slingsby Close experiences exceptional congestion issues due to on-street parking.**
- (2) That further proposals for additional double yellow lines on one side of Slingsby Close are not progressed given the response to the current proposal under TRO 115/2017.**
