

Equality Impact Assessment

Preliminary assessment form v5 / 2013

www.portsmouth.gov.uk

The preliminary impact assessment is a quick and easy screening process. It should:

- identify those policies, projects, services, functions or strategies which require a full EIA by looking at:
 - negative, positive or no impact on any of the equality groups
 - opportunity to promote equality for the equality groups
 - data / feedback
- prioritise if and when a full EIA should be completed
- justify reasons for why a full EIA is not going to be completed

Q1 - What is the aim of your policy, service, function, project or strategy?

To investigate the viability of a combination of off road parking and verge hardening along the entire length of Abbeydore Road and sections of Winchcombe Road and Leominster Road, in the Paulsgrove area.

As a road safety scheme, this project aims to meet the requirements of the Local Transport Plan by seeking to reduce casualties, which help PCC towards achieving the National 2012 targets. The scheme also seeks to improve the habitability of the area for residents. This scheme contributes to the following Corporate Priorities: Protect and support our most vulnerable resident. Strategically this project is in line with the overarching strategic framework of the City Council and contributes to the priorities from the Local Strategic Partnership. This project will contribute to the delivery of the Local Transport Plan 3 strategy.

Q2 - Who is this policy, service, function, project or strategy going to benefit or have a detrimental effect on and how?

This scheme will benefit all road and pedestrian users of Abbeydore Road and sections of Winchcombe Road and Leominster Road, in the Paulsgrove area with the increased parking options congestion will reduce.

The scheme will ensure that both the footway and carriageway are not obstructed by vehicles parked incorrectly. This will ensure access can be maintained for emergency vehicles and vulnerable non-motorised users are unimpeded on the footway and not forced into the road and put at risk by oncoming traffic.

Q6 - Using the assessments in questions 3, 4 and 5 should a full assessment be carried out on this policy, service, function or strategy?

☐ yes ☒ No

Q7 - How have you come to this decision?

PCC TEBS wish to proceed with the scheme.

Consultation with residents showed support.

The impact of this scheme will improve accessibility for footway users compared to the current situation, as the scheme will ensure that both the footway and carriageway are not obstructed by vehicles parked incorrectly. This will ensure access can be maintained for emergency vehicles and vulnerable non-motorised users are unimpeded on the footway and not forced into the road and put at risk by oncoming traffic.
