**1. Purpose of report**

To consider the Statement of Accounts for 2015/16.

**2. Recommendations**

That the Statement of Accounts be approved

**3. Background**

Under the Accounts and Audit Regulations 2015 the Director of Finance and Information Services was required to sign and date the statement of accounts, and confirm that he was satisfied that the accounts presented a true and fair view of the financial position of the authority at 31 March and of the authority's income and expenditure for 2015/16, by 30 June 2016.

From 1 July 2016 to 11 August 2016 any person was able to inspect the accounts of the Council for the year ended 31 March 2016 and certain related documents (comprising books, deeds, contracts, bills, vouchers and receipts and other documents relating to those records). From 1 July 2016 to 11 August 2016, a local government elector for the area of the Council, or his/her representative, could object to the Council's accounts asking that the auditor issue a report in the public interest (under schedule 7 of the Local Audit and Accountability Act 2014) and/or apply to the court for a declaration that an item in the accounts is contrary to law (under section 28 of the Local Audit and Accountability Act 2014). These rights were exercised in respect of the Council's £11m lender's option borrower's option loan and the application of City Deal Grant.

After considering comments from the auditors, and making adjustments that he felt were appropriate, the Director of Finance and Information Services (Section 151 Officer) has re-confirmed that he is satisfied that the statement of accounts presents a true and fair view of the financial position of the authority at 31 March and of the authority's income and expenditure for 2015/16. A list of non-trivial adjustments made by the Director of Finance and Resources (Section 151 Officer) is contained in the Appendix.

The Statement of Accounts 2015/16 includes an overview of the City Council's performance on pages 13 to 20 and a commentary on the financial statements on pages 20 to 32.

#### **4. Reasons for Recommendations**

The Accounts and Audit Regulations 2015 now require members of the Council to:

- a) consider the statement of accounts;
- b) approve the statement of accounts by a resolution
- c) ensure that the statement of accounts is signed and dated by the person presiding at the committee at which that approval is given

Portsmouth City Council discharges these responsibilities through its Governance and Audit and Standards Committee.

The Governance and Audit and Standards Committee now have two options:

- 1) Approve the statement of accounts
- 2) To identify areas of concern and not approve the accounts

In considering the statement of accounts the Committee should take into account any comments made by the auditor.

Under the Accounts and Audit Regulations 2015 the Council must publish its accounts together with any certificate or opinion entered by the auditor by 30 September.

#### **5. Equality Impact Assessment**

The contents of this report do not have any relevant equalities impact and therefore an equalities impact assessment is not required.

#### **6. Legal implications**

The Section 151 Officer is required by the Local Government Act 1972 and by the Accounts and Audit Regulations 2015 to ensure that the Council's budgeting, financial management, and accounting practices meet the relevant statutory and professional requirements. Members must have regard to and be aware of the wider duties placed on the Council by various statutes governing the conduct of its financial affairs.

If the statement of accounts is not approved by the Committee by 30 September the Council will be in breach of the Accounts and Audit Regulations 2015. Failure to approve and publish the accounts within the timeframe set out in the Accounts and Audit Regulations 2015 would represent a potential risk to the reputation of the Council.
