Hi Alison

Can you let me have your full postal address including postcode. I know it's the shop but need the number and postcode.

Thanks.

Debbie

Hi Deb

I am writing this email to let you know my concerns about the licence that has been submitted to yourself. As local residents that has to put up with the drunken noise and loud music every weekend the thought of another venue with a 3am licence scares me. Not only do we have to put up with the loud music its the after 3am antics.

We live above the our shop and we are woken up most weekends with the noise of people leaving the venue.

As we look out the back of a our property we often see drunks using the bin area as a public loos.

Drugs are part of our every day life here most weekends dealers use are back areas to deal drugs.

My husband and myself think another 3am licence around here are just going to make life that much more unbearable. We have no problem with the new venue as we both love Indian food and can't wait to try it So please when you consider the application ask yourself would you want to live here.

Living in hope it doesn't happen

Many Thanks

Chris and Alison Barnes
