Subject: Representation against entertainment license for Kassia Southsea Ltd

Dear Licensing Manager,

I am writing to you with regards to the application made by Kassia Southsea Ltd. for a late night drinking, entertainment license. I am currently living at Ashby Place which is in the direct proximity from the proposed location of the new night club; This is why I'm sure that it will affect myself significantly and hence why I am making this representation.

Despite the fact that I have moved to the central Southsea (Ashby Place) only recently, I have already heard about vandalism and disturbance which used to happen few years ago when more night clubs like Kassia Southsea Ltd were open in the area. People that I have spoken to mentioned broken car windows, never-ending rubbish and noise which did not last only till the club closing hours but significantly longer. What's more important is that they were actually afraid to go out from their flats at late night hours as to prevent encountering any drunk people. At Ashby Place it is particularly dangerous due to the quite dark parking located behind all the largest shops.

I am not 100% sure what kind of plans Kassia Southsea Ltd has for keeping the place going and entertaining their customers (i.e. how loud are they going to be) but the proposed licensing hours are in my opinion too long and will cause a lot of disturbance to the residents of nearby houses. I am myself a working professional and I appreciate the quietness of the area and would like to keep it that way. The music will definitely reach my bedroom and will affect the quality of my sleep. It will make it much harder to get up in the morning when I have to do so at 6.30 am in the morning.

I am enjoying this place as it is now and I think there is enough clubs and restaurants in the area at the moment.

Please confirm that you have received my representation and if you have any questions please contact me. Also, please keep me updated on the status of this application.

Thank you!

Kind regards,
Krystian Fijalkowski
