Subject: Kassia Southsea Limited - 80-82 Osborne Road

Dear Sir/Madam

I am writing to object to the extension on the license on the above property.

I am the joint owner of the flat 74-76 Osborne Road.

Currently we have extensive licensing on Palmerston Road and at Kingsleys bar further along Osborne Road..

This section of Osborne Road has a large number of residential flats and is a small oasis with most of the current commercial premises having regular closing times.

I feel the extension of the license at these premises would cause extensive noise beyond a reasonable hour with people leaving and the general noise that would come from the business as it traded.

Every night it would be trading to 1am as a minimum, even on Sunday, which seems to show a complete disregard for the local residence.

Yours faithfully

Kevin Jordan
