Dear Debra,

OBJECTION TO LICENSING

I strongly object to this licensing application, serving alcohol and live entertainment until 3am is totally unnecessary. My reasons being the following:

- prevention of crime and disorder- we have had numerous mindless vandalism of cars parked in the road in the vicinity, we ourselves have been subject to a burglary. Drunkenness, fights, noise antisocial behaviour, using the alleyway next to the premises as a toilet, smashed bottles, urinating in the street, rubbish etc. I myself accompanied by a small child have been subjected to threatening drunken behaviour.

- Public safety, the whole Palmerston Road, Osbourne Road area is out of control at night, the police have themselves admitted they don't have the resources to deal with the behaviour and there are 'bouncers' on most of the pubs in the area. The councils strategy was to move the late night economy out of residential areas to Guildhall Walk, in recent years we have seen 'mission creep' and it is all back again. It is simply not safe to be out at night as a female in the area at night due to the late night drinking, drunks and anti-social behaviour.

- The whole area is littered with smashed bottles and anti-social drunks, I have two small children (4) and (5) it is making the area unsafe if we want to go out at night ie. one year after a Pantomime we were subjected to drunken abuse.

- prevention of public nuisance as previously stated, the loud, rowdy, drunken behaviour, broken glass, rubbish, vandalism is only going to get worse if this license is granted. It is not an application for a restaurant but a nightclub with late night drinking and music.

I vehemently oppose this license as a law abiding local resident who backs onto the area and has a holiday apartment opposite it.

If you could please confirm receipt of this application.

Regards

Sue Lloyd
