

Police Annex A proposed conditions

Proposed Conditions – Ali Baba

1 - The CCTV system must be fully operational whilst the venue is open to the public. The recording equipment shall be stored and operated in a secure environment with limited access.

The system shall be regularly maintained and serviced.

The system clock shall be checked regularly for accuracy taking account of GMT and BST.

Digital systems shall have sufficient storage capacity for 31 days good quality pictures.

The images produced will be date and time stamped.

Access

It is important that the Police are able to access data from the systems quickly and easily and therefore provision shall be made for someone to have access to the secure area and also be able to operate the equipment.

Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of staff.

Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems).

At all times that the premises is open for trade a person shall be on site that is able to work the CCTV system and provide a copy of any footage to the Police or officers of the Licensing Authority on request.

CCTV shall cover the full licensable area.
