Subject: Victory News

Hi Debbie

I would like to object to the proposal for the Victory News to open from 23-5 hours selling Alcohol and refreshments. I feel that it is not necessary to sell alcohol all through the night, who wants to buy a bottle of wine in the middle of the night?

But the refreshments all through the night would be a disturbance to local residents and I feel that this is the area that I most object to for the reasons below.

- Noise of car doors from Taxi drivers and other car users slamming.
- People standing outside of the shop chatting, especially as Copnor Road is quiet after ten and you can hear everything.
- Young people at the weekend when Tesco is closed going there to get alcohol and the noise that would create as we know young people are not considerate.
- Quality of life for residents when they have to be up for work in the morning and they cannot get to sleep due to noise in the night, and I have spoken to a resident who lives opposite the shop who works shifts so it will be a nightmare for him, and he said that this is causing him to be anxious already.
- And lighting outside the shop.

I understand that people have to make a living but, I feel that the Council should take into consideration the Quality of life for local residents but, it seems that this is never taken into consideration.

Thank you Debbie

Kind regards

Charlotte Larder
