a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. The licence holder will comply with the following requirements concerning the use of CCTV at the premises.

Operation and Storage:

The CCTV system must be installed and fully operational whilst the venue is open to the public.

The recording equipment will be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and to maintain the integrity of the system.

A record will be kept of any access made to information held on the system.

The system will be regularly maintained and serviced.

The system clock will be checked regularly for accuracy taking account of GMT and BST.

Tapes will be changed daily and kept for 31 days before being re used. Tapes should be replaced after 12 usages (ie annually).

Digital systems will have sufficient storage capacity for 31 days good quality pictures.

The images produced will be date and time stamped.

The CCTV system will be approved by the Police prior to the venue operating under a premises licence.

Access:

It is important that the Police are able to access data from the systems quickly and easily and therefore provision will be made for someone to have access to the secure area and also be able to operate the equipment.

Ensure all operators receive training from the installer when the equipment is installed and that this is cascaded down to new members of staff.

A simple operator's manual will be available to assist in replaying and exporting data (particularly important with digital systems).

2. A minimum of one SIA licensed door supervisor will be on duty from midnight until at least 0300 on Monday to Thursdays and a minimum of 2 on Friday and Saturdays from 2300 hours until at least 0300 hours.

The tabard should also be fitted with a clear plastic window on the chest area in which to satisfactorily display the licence issued to the door supervisor by the security industry authority. This condition may be disapplied at the discretion of the police.

This condition will not apply on Mondays to Thursdays between 1st July and 15th September in any calendar year. During that period of time the premises licence holder will carry out a risk assessment to determine whether there is a need for door supervisors
