Debra,

In response to the premises licence application for Becketts, 10-11 Bellevue Terrace, I have visited the premises today to discuss the application with Jason Parker. He has made me aware of revised times for licensable activities and on the strength of this and the applicant's acceptance of my suggested condition (see email below), I offer no representations.

Dear Jason,

Further to our meeting earlier this evening I'd like to propose the following condition for your licence.

Other than for access and egress, all doors and windows are to remain closed whilst regulated entertainment is being provided.

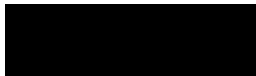

As discussed, the effect of the Live Music Act 2012 is that this condition is suspended between the hours of 08:00 and 23:00 hours although I would recommend caution at any time when opening windows and doors whilst playing live music. The only circumstances which remove the suspension of this condition would be a successful review of the licence.

Please could you reply back to me with your acceptance (or otherwise) of the above suggested condition.
