LICENSING MANAGER,

I Resident of the above mentioned address strongly object the granting of the Alcohol License for the shop 139, Twyford Avenue, PO2 8HU.

First of all we don't need an another off-licence as there is already "3" off-licences in our Area, "Co-op" and "Twyford NBUS" does not sell High Strength Volume Alcohol which has reduced the drinks in our Area. If the shop is been granted off-licence, which will sell high Strength Alcohol will lead to the drinks getting attracted to the shop, leading to Anti-Social behaviour in the Area. So I strongly recommend you to reject the application. Please consider this as a kind request.

Kind regards
