Dear Sir/Madam

Further to my representations regarding the variation of a premises licence at Astoria, Guildhall Walk, Portsmouth I would like to introduce further evidence which I produce as Annex C. This evidence relates to all incidents reported to Police and linked directly to the premises over a three year period Sunday through to Thursday. This was requested by the applicant in a recent email to me.

It is the belief of the Chief Officer of Police that this shows that there are incidents of crime and disorder which emanate from the premises over the midweek period the applicant wishes to extend their hours. It also shows that midweek incidents directly attributable to the premises have remained consistent over this period of time.

Any issues then please do not hesitate to contact me.

Kind Regards

Pete
