Comment Reasons:

Comment:7:01 PM on 10 Jan 2018 I live close to this property and we have a large problem with late night anti social behaviour spilling out from Palmerston Rd into the surrounding residential roads.

Another licenced property open late will only add to this behaviour.

We have drunken fights, alcohol related vandalism, assaults and thefts and issues with parking in and around palmerston road.

Another licenced premises will not bring any benefit to the community. There are lots of bars and coffee shops around and they sit empty all day and then have rowdy cliental abusing locals and disturbing residents sleep.

This property is surrounded by residential housing and will be a noisy venue that has already applied to spread out over the precinct filling the area with smokers and street drinkers.

Try and walk down palmerston road on a Saturday night and see how unsafe you feel, as a young adult, child or elderly or disabled person.

I firmly object to this licence application.
