### **Portsmouth City Council - Budget & Council Tax 2018/19 & Medium Term Budget Forecast 2019/20 to 2021/22**

That the recommendations of the Cabinet of 12<sup>th</sup> February 2018 (Minute 6/18) on "Portsmouth City Council - Budget & Council Tax 2018/19 & Medium Term Budget Forecast 2019/20 to 2021/22" be amended as follows:-

#### **Recommendation 1 (b) be amended to:**

1(b) The revised Revenue Estimates for the financial year 2017/18 and the Revenue Estimates for the financial year 2018/19 as set out in the General Fund Summary (Appendix A amended) including the changes described in paragraph 1(t) below:-

1(t) the following changes be made to Cash Limits for 2018/19 and future years as set out in the table below, but Members note that:

**the responsibility of the City Council is to approve the overall Budget and the associated cash limits of its Portfolios and Committees; it is not the responsibility of the City Council to approve any individual savings or additions within those Portfolios/Committees, that responsibility is reserved for Cabinet Members. The budget savings and additions in the tables below are therefore indicative only.**

Reduction in Support Services across Departments	A reduction in capacity will present a risk to the organisation including a reduction in the advice available on professional and technical matters and may compromise the ability to deliver savings in other areas of the council.	(73,000)	(105,000)

\* Members should have regard to the report of the Independent Remuneration Panel and the resolutions of Council on 14<sup>th</sup> November 2017.

\*\* Members should note that, in accordance with the Local Government Act 2000, this is a decision for the Leader of the Council not the Council itself. In the event that the Leader elects to take such a decision, the savings amount will increase by £22,500.

\*\*\* The required process for moving to whole council elections would be as follows

- I. Full Council resolves to undertake public consultation as the Council thinks appropriate on any proposed change
- II. Have regard to the outcome of the consultation before making its decision
- III. Convene a special meeting of the Council
- IV. Full Council must pass a resolution by a two-thirds majority of those voting at that Special meeting

- V. The resolution must specify the commencement year (earliest date would be May 2019)
- VI. The resolution is the means by which the term of office is reduced for any members whose term would not be completed
- VII. Any election(s) scheduled to take place before the start date indicated in the Council's resolution would continue as normal
- VIII. An explanatory document on the decision must be published after the resolution is made
- IX. The Council must notify the Boundary Commission of the scheme adopted and the commencement year
- X. If the Council resolves to change to whole council elections, the decision cannot be reversed until five years from the date of the resolution

The earliest implementation date would be from May 2019 and the saving is estimated to be £47,000 per annum.

The relevant legislation is contained in sections 32-36 of the Local Government and Public Involvement in Health Act 2007 (as amended by the Localism Act 2011)
