

Junior Road Safety Officer Scheme

All Primary schools can join the Junior Road Safety Officer (JRSO) Scheme. The JRSO handbook is sent to participating schools on a USB stick by the Road Safety Team. Two JRSOs from years 3 to 6 and a teacher will meet with a Road Safety Officer to go through the handbook and receive an introduction to the role. Throughout the year JRSOs then complete activities such as creating a notice board within the school, going on a Community Speedwatch operation, speaking to children in their schools at assembly etc. to raise awareness of road safety within the school. Participating schools then have the opportunity to enter JRSO Champion of Champions, an exciting event held in conjunction with Hampshire Fire Service and neighbouring local authorities.

If you would like a copy of the JRSO Handbook emailed to you please contact elizabeth.burchett@portsmouthcc.gov.uk.
