

Portsmouth CITY COUNCIL

Road Safety

Objectives:

1. To consider what dangers you face on the road
2. To think about how you can make yourself safer

www.portsmouth.gov.uk

The Danger YOU Face

• 2012 in Portsmouth 41 children were run over.

2

www.portsmouth.gov.uk

In the UK how many under 16s are killed or injured on the roads each year?

2400

Road traffic accidents cause more serious harm and death to children in Britain than anything else.

3 www.portsmouth.gov.uk

This slide features a black and yellow checkered border. The top section contains a question in white text on a black background, followed by the number '2400' in large red font. Below this is a photograph of a massive crowd of people, representing the 2400 children mentioned in the text. The bottom section contains a statement in white text on a black background. The footer includes the number '3' and the website 'www.portsmouth.gov.uk'.

Green Cross Code

4 www.portsmouth.gov.uk

This slide features a black and yellow checkered border. The top section has the title 'Green Cross Code' in white text on a black background. Below the title is a screenshot of a street scene from a video game, showing a road with a car and a pedestrian crossing. The bottom section contains the number '4' and the website 'www.portsmouth.gov.uk'.
