## INTRODUCTION

1. The accounts for Portchester Crematorium Joint Committee have been prepared in compliance with the format prescribed by the Accounts and Audit (England) Regulations 2011. The Joint Committee falls within the Audit Commission's limited assurance audit approach as gross annual income and expenditure are less than £6.5 million, and so the external audit opinion will be provided on the Annual Return which includes a summary of the Comprehensive Income and Expenditure Statement and Balance Sheet. The audit opinion will be provided and advertised in due course.
2. The Annual Return for 2014/15 comprises the following sections for approval and information:
  - Section 1 - Accounting Statement - recording financial transactions during the year for both revenue and capital schemes.
  - Section 2 - Annual Governance Statement
  - Section 4 - Annual Internal Audit Report

In support of the Annual Return explanatory notes are set out to summarise the financial position at the end of the financial year 2014/15 which include a Balance Sheet to provide detail on the accounts and operational assets.

3. **Section 1 - Accounting Statement**  
The Accounting Statement is presented for approval by the Joint Committee and is supported by details of the variances between the financial year 2014/15 and the previous financial year 2013/14. Supporting explanations are required to be provided and these are drawn from the Comprehensive Income and Expenditure Statement report included as a separate item on today's agenda.
4. **Section 2 - Annual Governance Statement**  
The Annual Governance Statement is presented for approval by the Joint Committee and is supported by details of the key components upon which the Joint Committee has relied in agreeing each aspect of the Annual Governance Statement.
5. **Section 4 - Annual Internal Audit Report**  
The Annual internal Audit Report is presented for the financial year 2014/15, subject to confirmation by the Head of Audit and Assurance at Fareham Borough Council.
6. In order to preserve consistency of information on the accounts and operational assets that is reported to the Joint Committee this report then provides, for information, a Balance Sheet report, explanatory notes and details of the reserves held by the Joint Committee to complete the summary of the financial position at year end.

## 7. EXPLANATIONS OF VARIANCES BETWEEN ACCOUNTING YEARS

### 7.1 Annual Return - Other Receipts (line 3)

7.1.1 Income from charges and sales of £2,169,249 was £242,162 lower than the previous year. The number of cremations carried out during 2014/15 has totalled 3,411 of which 22 were carried out at no charge. The numbers of cremations for 2014/15 and the four previous financial years are set out in the table below. Income from cremation fees has fallen in line with the reduced numbers set out below, but has exceeded the level set for budgeting purposes. Income from other areas, such as memorial cards and organ music, has fallen reflecting a continuation in the trend of a small decline in demand for these services. £46,680 has been received from the CAMEO TMAC scheme.

	Cremations

### 7.2 Annual Return - Other Payments (line 6)

7.2.1 Expenditure of £1,441,313 was £199,556 lower in 2014/15 than the previous year. Expenditure against the premises repairs and renewals and capital works programme has been lower than usual in this financial year as new working arrangements have been established and the main project for the year, the South Chapel refurbishment, has been delayed into 2015/16. Quotations have been received for the refurbishment of the waiting rooms and toilets and these works will also be completed in 2015/16.

<b><u>EXPENDITURE</u></b>	£	£

- 7.3 Annual Return - Cash and Short Term Investments have increased in 2014/15 in line with reduced premises repairs and renewals and capital works expenditure, enabling a replenishment of balances held to support future capital expenditure. This figure is different to the line 7 balances carried forward figure as the accounts are prepared on an income and expenditure basis.

7.4 Annual Return - Fixed and Long Term Assets (line 9)

Historically, asset values have been included in the Annual Return at net current value. However, in line with proper practices as noted in Governance and Accountability for Local Councils each asset should be recorded on the asset register as its original purchase cost or where this is not known, a proxy value should be included. These values remain unchanged on the Annual Return until disposal, with only subsequent additions being added to the figure. Therefore the 2013/14 value of £7,906,707 has increased in 2014/15 with additions of £97,910 as shown in the breakdown below.

## Pensions Reserve

The Local Government Pension Scheme (LGPS) is administered by Hampshire County Council. This is a funded defined benefit final salary scheme, meaning that the Joint Committee and employees pay contributions into a fund, calculated at a level intended to balance the pension's liabilities with investment assets. The Pensions Reserve absorbs the timing differences arising from the different arrangements for accounting for post employment benefits and for funding benefits in accordance with statutory provisions. The Joint Committee accounts for post employment benefits in the Income and Expenditure Accounts as the benefits are earned by employees accruing years of service, updating the liabilities recognised to reflect inflation, changing assumptions and investment returns on any resources set aside to meet the costs. However, statutory arrangements require benefits earned to be financed as the Joint Committee makes employer's contributions to pension funds or eventually pay any pensions for which it is directly responsible. The debit balance on the Pensions Reserve therefore shows a shortfall in the benefits earned by past and current employees and the resources the Joint Committee has set aside to meet them. The statutory arrangements will ensure that funding will have been set aside by the time the benefits come to be paid.
