Dated: 3 August 2015

THE PORTSMOUTH CITY COUNCIL (AA NEWBOLT ROAD) (REMOVAL OF RESIDENTS' PARKING ZONE) (NO.55) ORDER 2015

Notice is hereby given that the Portsmouth City Council is consulting the public on the above proposed Order under Sections 1-4, 32 and 36-37 of the Road Traffic Regulation Act 1984. The details are given below.

A) REMOVAL OF RESIDENTS' PARKING PLACES (Refunds for all permits will be available if the parking zone is removed)

1. Newbolt Road - Within the layby to the front of odd Nos.23-39

REASONS FOR THE ORDER

- Following the Budget decision to charge £30 for the first annual Resident permit, residents of the 35 parking zones were asked if they would prefer to keep their zone or see it removed.
- The results for Newbolt Road indicated 50% of respondents in favour of keeping the zone and 50% preferring it to be removed. The comments received, and the fact the remainder of Newbolt Road is unrestricted, have influenced this proposal to remove the zone.
- The full results and which zones are affected can be seen on Portsmouth City Council's website - visit and search 'survey' and click on the parking survey results 2015.
- By responding to this consultation with your views you will automatically be kept updated with details of the subsequent report, recommendations and public decision meeting.

Persons wishing either to object to or support this proposal may do so by sending their representations **IN WRITING** via email to engineers@portsmouthcc.gov.uk or by letter to Nikki Musson, Transport Planning, Portsmouth City Council, Civic Offices, Portsmouth, PO1 2NE, quoting ref: **TRO 55/2015**, stating the grounds of objection or support by **24 August 2015**.
