Grants

Grant No: 1841 The Roberts Centre

Request: £59,024 (*award 09/10 £26,984*)

Purpose: Supported Housing Scheme Sublets*

The Supported Housing Scheme is a partnership service with Portsmouth City Council, which provides support to vulnerable families, who have a history of failed tenancies, and single teenage parents

The aim of the scheme is to reduce the risk of future homelessness and family breakdown by offering intensive support, challenging behaviour patterns and life skills training. The Roberts Centre manage the latter stage of the scheme* where families are moved into self-contained properties and supported until they are able to take on the tenancy independently.

This service helps to ensure that everyone has somewhere to live and supports vulnerable people to live safely and independently.

This grant request is to fund the work undertaken with families during the assessment period prior to moving into a sublet which cannot be met by the normal funding streams for supported housing schemes i.e. rental income & supporting people grant.

The Roberts Centre are aware that there will be no increase in funding for this financial year.

Recommendation: £ 26,984

Grant No: 1836 Salvation Army Housing Association

Request: £19,203.50 - 50% of total request of joint bid
(*award 09/10 £23,266 Housing*)

Purpose: Catherine Booth House

Catherine Booth House is a hostel in Queen St, Portsea, owned and managed by the Salvation Army, which provides accommodation for families on the Supported Housing Scheme with 24-hour support needs. All referrals are made via the Supported Housing Scheme Panel, and families are moved-on to self-contained accommodation when they are able to live more independently, with a reduced level of support.

This service helps to ensure that everyone has somewhere to live and supports vulnerable people to live safely and independently.
This grant requests a contribution towards the shortfall in income to meet the project costs but does not identify a specific service being delivered which cannot be met by the normal funding streams for supported housing schemes i.e. rental income & supporting people grant.

This is a joint bid to Housing and Education, Children & Young People
