

CITY DEVELOPMENT AND CULTURAL SERVICES

Environmental Grant Requests:

Grant no: 1990
Organisation: Hampshire & Isle of Wight Wildlife Trust
Request: £5,000 (award 2012/13 £4,500)
Purpose: Contribution to staff costs for ongoing management and wardening of the Portsmouth Reserves (Farlington Marshes Great Salterns, Land close to Milton Locks). This will include habitat management, access and interpretation, educational visits and the running and management of a volunteer team.
Recommendation: £4,000

Grant no: 1977
Organisation: Hampshire & Isle of Wight Branch Butterfly Conservation
Request: £ 150 (award 2012/13 £200)
Purpose: General support of local conservation activities: Reserve maintenance, guidance on habitat management, education. Monitoring of butterflies and supplying of data to authorities in Annual report (i.e. monitoring of butterflies on Portsdown Hill)
Recommendation: £150

Grant no: 1987
Organisation: Hampshire Ornithological Society
Request: £ 1,000 (award 2012/13 £200)
Purpose: To support the work of the Society; charitable activities, generating funds and governance costs.

Recommendation: No award. A weak application with little detail of the value to Portsmouth.

Total Grants recommended £4,150.00
