

The overlapping and complementary roles of the Health and Wellbeing Board, Health Overview and Scrutiny Panel and Healthwatch Portsmouth

Health & Wellbeing Board

- Sets strategic direction and provides leadership
- Develops city-wide view of health and social care needs and resources through the JSNA
- Agrees alignment and integration of services to improve health and wellbeing through the Joint Health and Wellbeing Strategy
- Shared understanding to improve outcomes from decision-making

Healthwatch

- Supports public and patient involvement in local services
- Signposts people who use services and the public to services that are available
- Provides advocacy service
- Gathers and presents information and evidence to inform JSNA and scrutiny reviews

Health Overview & Scrutiny

- Provides democratic challenge and acts as a 'critical friend'
- Considers whether service changes are in the best interest of local people's health and wellbeing
- Carries out reviews that can inform and enhance policy and services
