

**REPORT TO: PORTCHESTER CREMATORIUM JOINT COMMITTEE –
Monday 28 September 2009**

REPORT BY: THE HORTICULTURAL CONSULTANT

ANNUAL BEDDING DISPLAYS

The bedding is still looking colourful and creates a welcoming feel to the Crematorium.

CAR PARK

Work has been carried out in the car park shrub areas. Large shrubs have been removed and ground cover plants will be planted during the winter.

TREES

Major work has been carried out to two large conifers at the front of the Crematorium. This was necessary due to wind damage.

GENERAL

Maintenance of the Crematorium grounds is progressing well and all shrub prunings are shredded. The shreds have been used around the overflow car park shrub beds.

Brighstone Landscaping continue to carry out the works to a very high standard.

Roger Young
Horticultural Consultant
