Dear Committee Members,

I am writing to ask if you would consider making the crematorium car park available to local schools between 8:30 and 9:15 a.m. every day so that we could set up a 'Park and Stride' scheme. This would involve parents leaving their cars in the car park, walking their children to school and then walking back to collect their cars. It may be that we could set up a 'walking bus' from the crematorium to each school as this would probably encourage families to participate. A 'walking bus' is where a couple of adults have responsibility for a group of children and they all have high visibility tabards to wear.

I would be very grateful if you could consider this proposal and let me know your thoughts. If it is a possibility I will liaise with the other schools and we can decide upon our next steps.

Many thanks for taking the time to read this letter.

Yours faithfully,

G. E. A. Shelley
