[http://www.sholland.public-i.tv/site/index.php?l=en\\_GB#pp19345](http://www.sholland.public-i.tv/site/index.php?l=en_GB#pp19345)

Brighton & Hove City Council <http://www.brighton-hove.public-i.tv/site/#webcast>

Worcestershire County Council has the system installed and begin webcasting in January

Barnsley Metropolitan Council begin webcasting using Public i. February

Elmbridge Borough begin webcasting using Public i. February

Kirklees Metropolitan begin webcasting using Public i. in March

We also have autotrack camera systems working in the National Assembly of Wales, Kazakhmys PLC, London Boroughs of Wandsworth, Sutton and Greenwich, Knowsley Metropolitan, Caerphilly County, Kings Lynn, Forest Heath, Kettering, Birmingham, Chichester and Rushmore Councils and University of Portsmouth but they all just use the audio and video to record DVD's for themselves or broadcast it through their own intranet for internal viewing only or relaying to remote rooms / buildings.

Contacts at each of the above sites are available on request
