Update for SACRE meeting June 2008

Activities March – June 08 have included:

- Executive Committee Meetings and Working Parties
- Social Cohesion Conference, Winchester (Hants SACRE & Aim Higher). Emma, Kieran and Sue representing Interfusion
- Hampshire Interfaith Network 2nd Annual Lecture: Dr Indarjit Singh at the Discovery Centre. Cal, Dom, Emma, Kieran and Sue attended.
- Sex and Relationships Conference evaluation meeting with Adolescent Health Care Team
- SACRE Artefacts – Emma and Sue helped out with the setting up

Current position:

Bids – awaiting Young Money; all others said 'no', usually for reasons beyond our control. We have a few pounds left from payments for services rendered!

Office - cannot move in until we have funds! Opportunities lined up and waiting. Equipment stored in Sue's loft!

The Executive Committee have decided Interfusion is in hibernation while Sue works as a volunteer to write bids for major funding with the support of some Exec members once exams are finished. We are meeting with a funding adviser from PCCS to support this.

Interfusion exists in cyberspace with a Facebook group.
