- 3 ... Minutes of the meeting held on 24 September 2009.**
A copy of the minutes of the Transport, Environment & Community Safety Scrutiny Panel held on 24 September 2009 is attached.

RECOMMENDED that the minutes of the Traffic, Environment & Community Safety Scrutiny Panel meeting held on 24 September 2009 be confirmed as a correct record.

Minutes of the meeting held on 1 September 2009.

These minutes were agreed at the 24 September 2009 meeting, but the following amendment submitted by Cllr Jensen was not noted, due to an oversight in the preparation of the previous minutes.

Page 22, para 4 read “The Chair noted that Councillor Jensen had intended to write to Colas about the length of time taken to paint the columns but had not done so”

Councillor Jensen had explained to the Panel why he had not sent the letter and has requested that the minutes to be amended to reflect this, as follows:

“The Chair noted that on the 7 August 2009, Councillor Jensen had drafted a letter to Colas about the length of time taken to paint the columns. However, it had not been necessary for this letter to be sent, as the works had been carried out by noon that day, 7 August 2009”

RECOMMENDED that this amendment to the minutes of the Traffic, Environment & Community Safety Scrutiny Panel meeting held on 1 September 2009 be agreed.
