### **Recommendations**

#### **3.1) That the following be APPROVED in respect of the Council's Budget:**

- 1) The revised Revenue Estimates for the financial year 2021/22 and the Revenue Estimates for the financial year 2022/23 as set out in the General Fund Summary (Appendix A)**
- 2) The Portfolio Cash Limits for the Revised Budget for 2021/22 and the Budget 2022/23 incorporating the savings amounts for each Portfolio and amounting to £1.825m as set out in Sections 7 and 11, respectively**
- 3) To maintain the overall financial resilience of the Council, any underspendings arising at the year-end (outside of those made by Portfolios) be transferred either to Capital Resources to fund future Capital Programmes, the COVID-19 Reserve, the MTRS Reserve or General Reserves with the level of each transfer to be determined by the S.151 Officer**
- 4) Any variation to the Council's funding arising from the final Local Government Finance Settlement be accommodated by a transfer to or from General Reserves**
- 5) The S.151 Officer be given delegated authority to make any necessary adjustments to Cash Limits within the overall approved Budget and Budget Forecasts**
- 6) That the level of Council Tax be increased by 1.99% for general purposes in accordance with the referendum threshold<sup>1</sup> for 2022/23 announced by Government (as calculated in recommendation 0 (d))**
- 7) That the level of Council Tax be increased by a further 1.0% beyond the referendum threshold (as calculated in recommendation 0 (d)) to take advantage of the flexibility offered by Government to implement a "Social Care Precept", and that in accordance with the conditions of that flexibility, the full amount of the associated sum generated of £872,400 is passported direct to Adult Social Care**
- 8) That Revenue Contributions to Capital be made in 2021/22 in the sum of £1.0m and in 2022/23 in the sum of £2.0m in order to provide sufficient funding for the New Capital Investment proposals set out in Appendix D**
- 9) Managers be authorised to incur routine expenditure against the Cash Limits for 2022/23 as set out in Section 11**
- 10) That no savings requirement for 2023/24 be set but that this is kept under review, pending the outcome of the forthcoming Fair Funding Review and Business Rate Retention Scheme**
- 11) That the S.151 Officer be given delegated authority to make transfers to and from reserves in order to ensure that they are maintained as necessary and in**

---

<sup>1</sup> Council Tax increases beyond the referendum threshold can only be implemented following a "Yes" vote in a local referendum

particular, adjusted when reserves are no longer required or need to be replenished

- 12) The minimum level of General Reserves as at 31 March 2023 be maintained at £8.0m to reflect the known and expected budget and financial risks to the Council
- 13) The Revised Capital Programme 2021/22 to 2026/27 attached as Appendix E which includes all additions, deletions and amendments for slippage and re-phasing be approved
- 14) The S.151 Officer be given delegated authority to determine how each source of finance is used to fund the overall Capital Programme and to alter the overall mix of financing, as necessary, to maximise the flexibility of capital resources used and minimise the ongoing costs of borrowing to the Council
- 15) That the S.151 Officer in consultation with the Leader of the Council be given delegated authority to release capital resources held back for any contingent items that might arise, and also for any match funding requirements that may be required of the City Council in order to secure additional external capital funding (e.g. bids for funding from Government or the Solent Local Enterprise Partnership)
- 16) Subject to a satisfactory financial appraisal approved by the Director of Finance and Resources & S.151 Officer, the schemes described in Appendix D be reflected within the recommended Capital Programme 2021/22 to 2026/27
- 17) The Prudential Indicators described set out in Appendix F be approved.
- 18) Members have had regard for the Statement of the S.151 Officer in accordance with the Local Government Act 2003 as set out in Section 16.

3.2) That the following be NOTED in respect of the Council's Revenue Budget and Capital Programme:

- 1) The Revenue Estimates 2022/23 as set out in Appendix A have been prepared on the basis of a 1.0% tax increase for the "Social Care Precept" (amounting to £872,400) and that this is passported to Adult Social Care in order to provide for otherwise unfunded budget pressures including the current underlying budget deficit, the cost of the National Living Wage and demographic pressures arising from a "living longer" population
- 2) The decision on the amount at which to set the Adult Social Care precept will be critical for the Social Care and wider health system in the City; in the event that the additional flexibility of the "Social Care Precept" and associated 1.0% tax increase is not taken, then equivalent savings will need to be made in Adult Social Care in 2022/23
- 3) In general, any reduction to the proposed increase in the level of Council Tax for 2022/23 will require equivalent offsetting savings to be made in order for the Budget 2022/23 to be approved. Each 1% reduction requires additional savings of £872,400 to be made.
- 4) The indicative savings proposals set out in Appendix C which are provided for the purpose of demonstrating to the Council that the Portfolio savings as recommended in paragraph 3.1 2) above are robust and deliverable
- 5) The likely impact of savings as set out in Appendix C

- 6) That the responsibility of the City Council is to approve the overall Budget and the associated cash limits of its Portfolios and Committees; it is not the responsibility of the City Council to approve any individual savings within those Portfolios / Committees
- 7) That it is the responsibility of the individual Portfolio Holders (not Full Council) to approve the individual savings proposals and the Portfolio Holder can therefore, in response to any consultation, alter, amend or substitute any of the indicative savings proposal(s) set out in Appendix C with alternative proposal(s) amounting to the same value within their Portfolio
- 8) Managers will commence the implementation of the approved savings required and any necessary consultation process or notice process
- 9) The Revenue Forecast for 2023/24 to 2025/26 as set out in Section 12 and Appendix B
- 10) That at this stage the Council's Future Forecast for the 3 Year Period 2023/24 to 2025/26 is estimated to be in balance; this is the Council's "central base case scenario" but due to the uncertainty associated with Local Government Funding reform and potential further unanticipated budget pressures in essential Care Services, this could vary by +/- £3m
- 11) In accordance with the approved financial framework, it is the responsibility of the Portfolio Holder, in consultation with the Director of Finance & Resources (S.151 Officer), to release funds from the Portfolio Reserve in accordance with the provisions set out in Section 8.
- 12) The MTRS Reserve held to fund the upfront costs associated with Spend to Save Schemes, Invest to Save Schemes and redundancies will hold an uncommitted balance of £4.8m and will only be replenished in future from an approval to the transfer of any underspends, contributions from the Revenue Budget or transfers from other reserves which may no longer be required
- 13) The Council's share of the Council Tax element of the Collection Fund surplus for 2021/22 is estimated to be £1,834,866
- 14) The Council's share of the Business Rate element of the Collection Fund deficit for 2021/22 is estimated to be £13,337,014 (noting that this is offset by Government Grants of £13,413,300)
- 15) The Retained Business Rate income<sup>2</sup> for 2022/23 is based on the estimated Business Rate element of the Collection Fund deficit as at March 2022, the Non Domestic Rates poundage for 2022/23 and estimated rateable values for 2022/23 and has been determined at £42,491,554
- 16) That Cabinet Members, in consultation with the S.151 Officer, have authority to vary Capital Schemes and their associated funding within or across Portfolios in order to manage any potential overspending or funding shortfall or to respond to emerging priorities
- 17) That Cabinet Members, in consultation with the S.151 Officer, have authority to vire funding between Portfolios (both Revenue and Capital Budgets) in order to manage any potential overspending or funding shortfall or to respond to emerging priorities

---

<sup>2</sup>Includes Retained Business Rates £35,567,038, "Top Up" £6,952,434, a deficit on the Collection Fund of £13,337,014 plus S.31 Grants of £13,309,096 for compensation due to national Government business rate relief initiatives

**18) The City Council note that Prudential Borrowing can only be used as a source of capital finance for Invest to Save Schemes**
