

Agenda Item 13d

Ordinary Council Meeting of: 19 March 2024
Cllr Dave Ashmore/Cllr Mark Jeffery

AGENDA ITEM 13d - Notice of Motion - Pride in the Streets of Pompey

Amendment:

To replace paragraph 3 - "The condition of our streets affects how residents feel about where they live - many don't feel pride in their city anymore because of how unclean it presently is."

with: "The cleanliness of our streets has an impact on residents' sense of pride in their area."

To replace paragraph 4 - " The council has been undertaking a campaign to encourage residents on streets with flat-fronted houses to take in their bins after refuse collections, but so far, this has had limited success."

with: "The council has been undertaking a campaign which follows up on the policy for residents on streets with flat-fronted houses to take in their bins after refuse collections, and this needs to be continued across the city."

To replace recommendation ii. with: " To ask Cabinet to continue to monitor the measures to ensure residents who can remove their bins from the street do so, and to report back the outcome of the measures to Full Council; with a focus on improving accessibility while helping those who have disabilities"

To replace recommendation iii. with: "To ask the Cabinet Member for Environmental Services to continue to engage with Colas to see if more proactive measures can be taken to improve street cleanliness; and"
