AGENDA

- 1 **Apologies for Absence**
- 2 **Declarations of Members' Interests**
- 3 **Local Transport Plan (LTP) Implementation Plan 2016/17 and Traffic Signal Optimisation Programme (Pages 1 - 6)**

The report is by the Director of Transport, Environment & Business Support. Following full Council agreement of the capital budget for 2016/17 on 9 February 2016, this report seeks approval for the Local Transport Plan 3 (LTP3) Implementation Plan 2016/17. Additionally it details how the approved budget for the LTP3 programme (£353k) and the Traffic Signals Optimisation Programme (£910k) will be apportioned.

RECOMMENDED that the Cabinet Member:

(1) Approves the LTP3 Implementation Plan and Traffic Signals Optimisation Programme.

(2) Delegates authority to the Director for Transport, Environment and Business Support in consultation with the Cabinet Member for Traffic and Transportation and the Section 151 Officer to agree any minor amendments to the Implementation Plan that may be required to take account of future funding changes and policy announcements.

4 Goldsmith Avenue Cycle Lane (Pages 7 - 10)

The report by the Director of Transport, Environment & Business Support seeks approval to undertake consultation via Traffic Regulation Order on the implementation of a designated cycle lane on Goldsmith Avenue. This follows the referral from the Members' Information Service item by Councillor Hunt (MIS issue 5 on 22 January 2016).

RECOMMENDED that approval is given to undertake a consultation via a Traffic Regulation Order on the implementation of double yellow lines on the north side of Goldsmith Avenue, adjacent to the railway line opposite Francis Avenue to the pedestrian crossing west of Fratton Way. This will include removing the loading bays and the current unrestricted parking to facilitate the introduction of a mandatory eastbound cycle lane.

5 London Road Proposals (North End) (TRO 12/2016) (Pages 11 - 18)

The report by the Director of Transport, Environment and Business Support is to consider the response to the public consultation on the proposed footway adjustment and reintroduction of Pay & Display, between Chichester Road and Laburnum Grove. When objections are received to proposed Traffic Regulation Orders, it is a statutory requirement to consider them at a formal decision meeting.

RECOMMENDED that approval is given to widen the carriageway on both sides and reinstall Pay & Display parking on the west side.

6 Wymering Road and Portchester Road one way - results of public notice (Pages 19 - 22)

The report by the Director of Transport, Environment & Business Support seeks to consider the response to the public notice regarding the proposals to implement a one-way system within Wymering Road and Portchester Road.

RECOMMENDED that the proposed one-way scheme is implemented to the proposed Option 2, i.e. Wymering Road to be made one-way eastbound and Portchester Road to be made one-way westbound.
