Subject:	Proposed changes to the Enforcement Policy used by Private Sector Housing.
Report by:	James Hill, Director of Housing, Neighbourhoods and Building Services
Wards affected:	All
Key decision:	No
Full Council decision:	No

1 Purpose of report

- 1.1 To propose changes to the current private sector housing enforcement policy so that council officers are better placed to deal the detrimental impacts that the build-up of rubbish on private properties can have on the local area.

2 Recommendations

- 2.1 That the Cabinet Member for Housing approves the changes to the Enforcement Policy and fixed penalty charges under Section 249A Housing Act 2004.

3 Background

- 3.1 In line with the policy for a cleaner Portsmouth, the council wants to tackle the problems that residents can face when landlords are not managing and maintaining their properties in accordance with legislation.
- 3.2 The Housing Act 2004 introduced a range of enforcement powers to enable local authorities to ensure that landlords or owner occupiers undertake specific remedial measures to their properties.
- 3.3 The Housing and Planning Act 2016 introduced further measures to help local authorities deal with problem landlords, with one of the main changes being the ability to issue civil penalties as an alternative to prosecution for certain specific offences.
- 3.4 This Act received royal assent on the 12 May 2016, with specific chapters coming into force at different times.
- 3.5 The Policy has been changed to reflect the following amendments which have come into place since the policy was last undated. By making these changes it ensures that council officers have all of the available authorities to deal with problem landlords.

4. **Section 234**

4.1 Section 234 (Housing Act 2004) allows the appropriate national authority to make additional regulations in relation to every House of Multiple Occupancy (HMO) to ensure that there are satisfactory management arrangements in place and satisfactory standards of management are observed. These regulations are known as The Management of Houses in Multiple Occupation (England) Regulations 2006 (As Amended):

4.2 The main heading for this area of legislation as follows:

- Duty of manager to provide information to occupier
- Duty of manager to take safety measures
- Duty of manager to maintain water supply and drainage
- Duty of manager to supply and maintain gas and electricity
- Duty of manager to maintain common parts, fixtures, fittings and appliances
- Duty of manager to maintain living accommodation
- Duty of provide waste disposal facilities
- Duties of occupants of HMO's

4.3 The stipulation set within Section 234 (3) is that a person commits an offence if he fails to comply with a regulation under this section.

4.4 The Private Sector Housing team have seen a steady increase year on year with complaints being received from concerned residents regarding waste in forecourts of Houses in Multiple Occupation or waste being left on the street.

4.5 The table below indicated the number of complaints received:

Year	Number of complaint received
2015/16	94
2016/17	136
2017/18	187
2018/19	66

5. **Financial Penalties for Certain Housing Offences**

5.1 The introduction of civil penalties, with a maximum level of £30,000, as an alternative to prosecution for certain specific areas was seen as a way local authorities can be more proactive in clamping down on poor landlords.

5.2 The Housing and Planning Act 2016 introduced the ability for the Council to issue a civil penalty for the following offences under the Housing Act 2004:

- Failure to comply with an Improvement Notice (Section 30)
- Offences in relation to licensing of Houses in Multiple Occupation (Section 72)

- Offences in relation to licensing of Houses under Part 3 of the Act (section 95).
 - Offences of contravention of an overcrowding notice (section 139),
 - Failure to comply with management regulation in respect of Houses in Multiple Occupation (section 234)
- 5.3 Section 249A is the specific section within the Housing Act 2004 that enables the use of financial penalties for certain housing offences, with Schedule 13A providing the specific process the Council must adhere to.

6. **Setting the level of the penalty.**

6.1 The Council has the ability to impose a financial penalty of up to £30,000 for any of the breaches mentioned within this report or the subsequent Private Sector Housing Enforcement Policy. It is proposed that no changes are made to the current method of setting the financial penalty for the following areas:

- Failure to comply with an Improvement Notice (Section 30)
- Offences in relation to licensing of Houses in Multiple Occupation (Section 72)
- Offences in relation to licensing of Houses under Part 3 of the Act (section 95).
- Offences of contravention of an overcrowding notice (section 139),

6.2 The Private Sector Housing Enforcement Policy has been amended to take into account the financial penalties that will be imposed for failure to comply with management regulation in respect of Houses in Multiple Occupation (section 234). This has set the maximum level at £5,000 per offence; subject the charging process as found within the Private Sector Housing Enforcement Policy 2018, Schedule 1 (Determining the level of penalty charge).

6.3 Appendix 01 provides a more comprehensive breakdown of how we will undertake this assessment.

7. **Equality Impact Assessment (EIA)**

7.1 An equalities Impact assessment is not required as this change to the policy is due to specific legislative changes issued by Central Government.

8 **City Solicitor's comments**

8.1 The policy is reflective of the current legal position and sets out appropriately the legal basis for fine imposition and the institution of legal proceedings in the alternative. The policy outlines the basis upon which the landlord can appeal. The report sets out the basis for maintaining the current penalty tariff.

9 **Director of Finance comments**

9.1 The changes recommended in this report to the Enforcement Policy will not result in an increase expenditure and the cost will be met from the existing staff already accounted for in the cash limited budget.

9.2 Changes to Fixed Penalty charges are unlikely to lead to a material increase in Income.

Appendix 1 –

Charging table for determining value of Financial Penalties imposed under Section 234 Housing Act 2004

Failure to comply with management regulations in respect of HMOs (Section 234)	£
First relevant offences (Note1)	500/per offence
Second subsequent offences by same person/company for the same offence	750/per offence
Person/ company demonstrates Income to be less than £450 per week (Note 2)	10% reduction

NOTES

Note 1 – Offences that may be dealt with by way of imposing a financial penalty with the starting point for a financial penalty is based on the maximum fine being set at £5,000 number of previous convictions or imposition of a financial penalty for the same type of offence in the previous four years.

After the starting point has been determined, relevant reductions are taken into account to determine the full financial penalty to be imposed.

No single financial penalty may be over £5,000. Where the addition of all relevant action would put the penalty above the maximum, it shall be capped at £30,000.

Note 2 - Person/ company demonstrates Income to be less than £450/week

This will be applied after all other relevant reductions have been included and if applicable will reduce the overall financial penalty by 10%. To be applicable, the person served by the Notice of Intent must provide sufficient documented evidence of income. The figure of £450 per week is to be calculated using the current average wage in Portsmouth, set at £25,256.

The Council reserves the right to request further information to support any financial claim, and where this is incomplete or not sufficiently evidenced may determine that the premium should not be applied.

Private Sector Housing Enforcement Policy

1. Introduction

- 1.1 The Council, through its Private Sector Housing team, aims to support the local economy and promote continuing growth whilst making sure that there is a balanced housing market that provides for a range of individual needs and income levels. The Council is committed to fair and effective enforcement, which protects both the economic interest and health and safety of the public, businesses and the environment.
- 1.2 The main objective of enforcement action is to ensure that non-compliance in the local housing market is addressed in the most effective way to ensure that compliance is achieved for the benefit of all.
- 1.3 This document sets out the Council's enforcement policy when dealing with non-compliance of relevant legislation related to private sector housing. Legislation will be outlined within the policy
- 1.4 The content of the Private Sector Housing Enforcement Policy has been written having regarded to;
 - A. The Regulators Compliance Code – which promotes proportionate, consistent and targeted regulatory activity through transparent and effective dialogue and understanding between regulators and those who regulate. Regulators must have regard for this code when developing policies and procedures that guide their regulatory activity. A copy of the code is available on request or may be downloaded from <https://www.gov.uk/government/publications/regulators-code>.
 - B. In certain situations the Council may decide that a provision in the Regulators Compliance Code is either not relevant or is outweighed by another provision. Officers will ensure that any decision to depart from the Code will be properly reasoned, based on material evidence and documented.
 - C. The Enforcement Concordat – The concordat is a voluntary, non - statutory code of practice which the Council has signed up to. It sets out principles with regards to good enforcement practice which are:
 - Standards of Service and Performance,
 - Openness,
 - Helpfulness,

Appendix 2

- Proportionality,
- Consistency
- Complaints about Service.

2. Human Rights and Equality Issues

- 2.1 Investigations and any enforcement action will be conducted in a manner which does not conflict or undermine the fundamental principles of the Human Rights Act 1998.
- 2.2 Enforcement decisions will be fair, impartial and objective and will not be influenced by issues such as the ethnicity or national origin, gender, religious beliefs, political views or sexual orientation of the suspect, victim, witness or offender. The Council's full equalities policy is available at <https://www.portsmouth.gov.uk/ext/the-council/equalities/equality-law-and-its-significance-for-the-council.aspx>

3. Purpose and Methods of Enforcement

- 3.1 The Council expects full compliance with the law and we will not hesitate to use our enforcement powers where necessary. Formal action will be taken, including prosecution, against those who flaunt the law or act irresponsibly.
- 3.2 The Council will help property owners to meet their legal obligations by providing clear and concise information about what they need to do to comply with the relevant legislation. However whilst help can be provided, property owners should always seek out and rely upon their own independent advice to ensure legal compliance.
- 3.3 Enforcement includes any action aimed at ensuring compliance with the law. The ranges of action that may be considered include;

A. Informal Action – will be considered where one or more of the following circumstances apply;

- there is no legislative requirement to serve formal notice or order and the circumstances are not serious enough to warrant formal action;
- past history suggests informal action will achieve compliance;
- there is confidence in the management or the individual;

Appendix 2

- The consequences of non-compliance will not pose a significant risk to occupiers or others.

B. Serve a Statutory Notice / Order or a civil penalty – This will be considered where it is appropriate and where there is evidence to justify the issuing of a notice, order or penalty.

4. Housing Act 2004.

- 4.1 In relation to Part one offences, serviced under The Housing Act 2004, statutory notices/orders will be based on the hazards found and how serious they are deemed to be. This is assessed using the Housing Health Safety Rating System. <https://www.gov.uk/government/publications/hhsrs-operating-guidance-housing-act-2004-guidance-about-inspections-and-assessment-of-hazards-given-under-section-9>
- 4.2 The Council has a legal duty to take the most appropriate course of action available in relation to category 1 hazards.
- 4.3 There is a power for Council officers to deal with category 2 hazards. The type of Notice or Order served for category 1 or 2 hazards served will be based on the best course of action assessment undertaken as required by Housing Act 2004.
- 4.4 The Council will exercise enforcement action in the following circumstances;
- Where there are category 1 hazard(s) present in the residential unit of accommodation
 - Where the category 2 hazard is progressive and will likely become a category 1 hazard unless preventative action is taken.
 - Where there are a number of category 2 hazards which would present a hazard to occupiers
 - In any other circumstances at the discretion of the Head of Private Sector Housing or a delegated Manager/ Officer in accordance with the councils Scheme of Delegation.
- 4.5 Part 1, Housing Act 2004 includes the types of Notice or Order that can be issued. These include;
- Hazard Awareness Notice – notice advising the person on whom it is served of a category 1 and/or category 2 hazards at the property.

Appendix 2

- Emergency Prohibition Order – same as a Prohibition Order but the order will take effect immediately.
- Emergency Remedial Action Notice - To undertake serious works within a short period of time.
- Demolition Order – an order requiring the demolition of the property.
- Declaring a Clearance Area – an area which is to be cleared of all buildings.

4.6 When any Notice or Order is served, Council officers will have full regard to the relevant areas within Part 1, Housing Act 2004 and the appropriate Schedules.

4.7 Other legislation is available to Council officers and the principles of this policy will be followed.

4.8 Should a person commit an offence under Section 234 Housing Act 2004, in respect of the any regulations imposed by Section 234 (1) or (2), then the authority will write to the person and allow the following timescales for compliance with each Regulation:

Regulation	Timescale

5. Houses in Multiple Occupation - Licensing.

5.1 Prospective applicants for a licence will be vetted to determine whether they are a 'Fit and Proper' person to hold a licence as required by section 66 Housing Act 2004. Appendix 2

6.1 This Council will consider suspending, revoking or refusing to renew a licence or authorisation, or to grant a new licence where licensing conditions are not being met and there are clear failings by the landlord in relation to Part 2, Housing Act 2004. The general principles set out within this policy will also apply to any action taken under this part.

Appendix 2

9.2 In all instances where formal proceedings have been taken and substantiated by the court, the Council will look to make an application for a rent repayment order.

10. Works in Default.

10.1 This may be considered as an alternative to, or in addition to, prosecution. The Council will carry out the works in default and seek to recover the full and associated costs, where necessary through legal redress. This will include, where applicable, administration costs and officer time.

10.2 Where appropriate the costs will be placed against the property as a local land charge. The Council may seek to use its powers to enforce the sale of the property in order to recover the costs.

10.3 Each case will be looked at individually and the Head of Private Sector Housing or a delegated Manager/ Officer, in accordance with the council's Scheme of Delegation, will make the decision to undertake works in default depending upon the type, extent and the protection of the health, safety and welfare of any occupant.

Appendix 2

Schedule 1**Statement of Principles – Determining the Amount of a Penalty Charge.**

1. The Private Sector Housing Enforcement Policy sets out the enforcement options available to Council officers when addressing non-compliance with respect to housing legislation.
 - 1.1 All notices will include information on the reason for the penalty charge, the amount, how it can be paid, and any information required by statute. Depending on the legislation being enforced there are different penalty charges applicable.
2. **Types of Penalty Charge:**
 - Penalty Charge Notice (The Smoke and Carbon Monoxide Alarm Regulations 2015)
 - Penalty Charge Notice (Section 249A) The Housing Act 2004 introduced by (The Housing and Planning Act 2016)
 - Redress Schemes for Lettings Agency Work and Property Management Work (Requirement to belong to a Scheme etc.) (England) Order 2014
3. **Determining the Amount of a Penalty Charge.**
 - 3.1 Where the Council is satisfied it has evidence of regulatory non-compliance, and the breach allows for the Council to require the offender to pay a penalty charge, the amount will be determined using the following principles set in table 1..
 - 3.2 Consideration will first be given to the application of the maximum penalty charge allowable for the offence in question.
4. **Fine Level:**
 - 4.1 Maximum fine set by each area:

Legislation	Maximum civil penalty charge
The Smoke and Carbon Monoxide Alarm Regulations 2015	£5,000
The Housing Act 2004	£30,000 per

Appendix 2

	case
Lettings Agency Work and Property Management Work (Requirement to belong to a Scheme etc.) (England) Order 2014	£5,000

- 4.2 The specific circumstances of the offence(s) will then be considered to assess whether applying the maximum penalty is reasonable and proportionate. Whilst each situation will be viewed individually the following factors will be considered;
- The seriousness of the offence (within the context of issuing a penalty charge)
 - The level/amount of non-compliance found
 - Financial benefit gained by offender of the non-compliance
 - Financial loss to others as a result of offender's non compliance
 - Attitude of offender
 - Maximum criminal fine a magistrate's court could impose having consideration to any relevant sentencing guidelines
- 4.3 The factors are not exhaustive and those that apply will depend on the particular circumstances of each case. The Head of Private Sector Housing or a delegated Manager/ Officer in accordance with the councils Scheme of Delegation will decide how important each factor is in the circumstances of each case and go on to make an overall assessment.
- 4.4 Any mitigating factors will then be considered (if applicable). Where present, each applicable mitigating factor is awarded a percentage reduction. Where a factor is not present as there is insufficient evidence, the score will be 0%.
- 4.5 These percentage scores are then added together and applied to the maximum penalty applicable for the offence. The normal maximum deduction that can be applied will be 90%.
- 4.6 This methodology will be used for all civil penalty notices issued in relation to private sector housing
- 4.7 The starting point for offences committed under Section 234 Housing Act 2004 will be £5,000.

Appendix 2

Mitigating Circumstances.	% reduction.
Internal failed preventative measures – in case of national agents / landlords / businesses, where a local office acted outside the corporately adopted procedures or the offence occurred locally	20% reduction.
Good cooperation with the Council – in cases where the offender has cooperated fully with the Council in investigating the offence	20% reduction.
Immediate and voluntary remediation – when the offence was brought to the attention of the offender they immediately rectified any breach(s).	20% reduction.
No previous history of non-compliance with the other housing legislation – if this is a first breach of any housing related legislation.	10% reduction.
Any relevant personal circumstances.	10% reduction.
Undue financial hardship – if fine would cause the offender undue financial hardship such that it might not be able to continue to operate.	10% reduction.

Table 1

4.7 In all cases it will be the responsibility of the recipient to provide sufficient evidence to support their presentations.

5. Rights to Make Representations.

5.1 The recipient of a penalty charge notice has the right to make written representation regarding the notice. Full details of this process and timescales are detailed on the notice. Any representations to the penalty charge will be considered by the Head of Private Sector Housing or a delegated Manager/ Officer in accordance with the councils Scheme of Delegation. The Head of Private Sector Housing or a delegated Manager/ Officer in accordance with the councils Scheme of Delegation will review the penalty charge in line with the mitigating factors. All representations will be considered on their own merit.

6. Non-Payment of Penalty Charge.

Appendix 2

- 6.1 If any notices are not paid within the specified period following issue, or where applicable following a review procedure, the Council will pursue non-payment of the penalty through a Court order process.
