AGENDA

- 1 **Apologies for Absence**
- 2 **Declarations of Members' Interests**
- 3 **Call in of decision taken by Cabinet on 22 June 2021 in respect of item 10 on that agenda : Appointments to Outside Organisations (Pages 5 - 26)**

The purpose of the report is to request the Panel to review the decision taken by the Cabinet on 22 June 2021 in respect of item 10 on that agenda "Appointments to Outside Organisations" (The nominations which were considered by the Cabinet on 22 June 2021 together with the decision record is attached as Appendix 1 to this report.)

Councillors Matthew Atkins, Ryan Brent, Hannah Hockaday, Lee Mason and Daniel Wemyss have asked that the decision be called in for scrutiny on the basis that they believe that the decision may have been taken without adequate information (of which the nature has been identified).

The Lead Call-in Member is Councillor Matthew Atkins. The Lead Cabinet Member is Councillor Gerald Vernon-Jackson, Leader of Portsmouth City Council.

The decision today is for the panel to determine whether the Cabinet's decision has been taken without adequate information.

If the panel is satisfied that the decision was not taken without adequate information being supplied to enable the Cabinet to reach its decision, then no further action is required and the matter ends here.

If the panel is not satisfied on these grounds, the panel may refer the matter back to the Cabinet for reconsideration, setting out in writing the nature of its concerns that are to be addressed in conjunction with the original matter.

A report by the City Solicitor is attached with the following documents as appendices:

- The table of nominations considered by the Cabinet on 22 June 2021 (Appendix 1)
- the Cabinet Decision Notice published on 24 June 2021 (Appendix 2)
- Procedure note for the meeting (Appendix 3)
- Reasons for Call-in and Call-in request (Appendix 4)
- Part 4E of the Council's Constitution - Appointments to Outside Bodies and organisations, charities etc - Political Proportionality Protocol (Appendix 5)

The relevant members and officers will be in attendance.

RECOMMENDED that the Panel is requested to consider the evidence and decide whether to resolve either:

- (1) that no action should be taken in respect of the decision made by the Cabinet on 22 June 2021; or**
- (2) that the matter should be referred back to Cabinet for reconsideration, setting out in writing the nature of its concerns that are to be addressed in conjunction with the original matter.**

Guidance on the use of devices at meetings open to the public is available on the Council's website and posters on the wall of the meeting's venue.

Reasons for call in

The cabinet's decisions in respect of certain appointments to outside bodies were defective in two regards:

1. They are in breach of the Appointments to Outside Bodies and organisations, Charities etc - Political Proportionality Protocol which is Part 4E of the Constitution of Portsmouth City Council.
2. The Cabinet failed to consider the Appointments to Outside Bodies and organisations, Charities etc - Political Proportionality Protocol which is Part 4E of the Constitution of Portsmouth City Council when making the decision.

In respect of Point 1 (above) the decisions to appoint Steve Pitt and Terry Hall to the Portsmouth Naval Base Property Trust and the decision to appoint Cllrs Hugh Mason and Cllrs Rob Wood to the King's Theatre Trust Ltd are in breach of rules 6 and 7 of the Protocol. The appointments are in breach of point 7 in that the appointments should be in accordance with proportionality rules where 2 or more appointments are to be made. They are also in breach of the implication of rule 6 that appointments should be Portsmouth City Councilors.

The appointments of David Fuller to the Fratton Community Association and Matthew Winnington to the Eastney Area Community Association are in breach of rule 4 of the Protocol that appointments to local associations should be ward Councilors.

Plus any such other breaches of the Protocol as the Scrutiny Management Panel may determine.

In respect of Point 2 (above) the decision of the Cabinet was made without adequate information because the Cabinet failed to consider the Appointments to Outside Bodies and organisations, Charities etc - Political Proportionality Protocol which is Part 4E of the Constitution of Portsmouth City Council when making their decisions. This is a core policy of the Council and should have been considered when making the decisions which it governs.

Appointments to Outside Bodies and organisations, Charities etc -

Political Proportionality Protocol

In making appointments to any outside body or organisation, the Executive collectively or an individual Executive member, should act in accordance with the following rules to ensure that, so far as possible, the political proportionality of the council is maintained.

1. The council's political proportionality shall be as may be determined at the annual council meeting.
2. Forthcoming vacancies/appointments will be notified to all members of the council through the member information service (MIS); any member wishing to be considered for an appointment should notify the democratic services manager by a specific date, and the nomination should be supported by their group secretary.
3. If there are more nominations than appointments to be made, the relevant Executive member may meet informally with each nominee to ascertain any additional information in support of the nomination.
4. In respect of community centres, community associations and similar local neighbourhood organisations, wherever practical local ward councillors will be appointed.
5. Where an appointment involves the proposed appointment of an executive member, the appointment should be made by the Executive collectively.
6. Where there is only one representative to be appointed, there shall be a general presumption that the vacancy will be filled by a member of the party forming the administration.
7. Where there are two or more representatives to be appointed the political proportionality rules should apply with due regard being had to the overall level of minority party representation generally on outside bodies. However, the Executive (or individual executive member) and the respective opposition group secretaries (or their nominees) may agree to an alternative arrangement applying in the circumstances of a particular case. Such circumstances, for example, could be insufficient nominations being received; the specialist nature of the body; or a wish to provide continuity of membership of a particular individual on a body.
8. Proposed appointments will be considered at formal meetings of the Executive or at individual executive member decision making meetings.
9. All councillors will be advised of the appointments made through the MIS

This protocol was adopted by the city council on 26 March 2002, under minute 31/02
