Information with regard to public access due to Covid precautions

- Attendees will be requested to undertake an asymptomatic/ lateral flow test within 48 hours of the meeting. Around one in three people who are infected with COVID-19 have no symptoms so could be spreading the virus without knowing it. Asymptomatic testing – getting tested when you don't have symptoms - helps protect people most at risk by helping to drive down transmission rates. We strongly encourage you to take up the habit of regular asymptomatic testing to help prevent the spread of coronavirus to your colleagues and residents you work with.
- We strongly recommend that attendees should be double vaccinated.
- If symptomatic you must not attend and self-isolate following the stay at home guidance issued by Public Health England.
- All attendees are recommended to wear a face covering while moving around within the Guildhall.
- Although it will no longer be a requirement attendees may choose to keep a social distance and take opportunities to prevent the spread of infection.
- Hand sanitiser is provided at the entrance and throughout the Guildhall. All attendees are encouraged to make use of hand sanitiser on entry to the Guildhall and are requested to follow the one way system in place.
- Attendees are encouraged book in to the venue (QR code). An NHS test and trace log will be retained and maintained for 21 days for those that cannot or have not downloaded the app.
- Those not participating in the meeting and wish to view proceedings are encouraged to do so remotely via the livestream link
