Information with regard to public access due to Covid precautions

- Following the government announcement 'Living with COVID-19' made on 21 February attendees will still be requested to undertake an asymptomatic/ lateral flow test within 48 hours of the meeting until the end of March (This guidance will be updated at that point). Around one in three people who are infected with COVID-19 have no symptoms so could be spreading the virus without knowing it. Asymptomatic testing - getting tested when you don't have symptoms - helps protect people most at risk by helping to drive down transmission rates.
- We strongly recommend that attendees should be double vaccinated and have received a booster.
- If symptomatic we encourage you not to attend the meeting but to stay at home, avoid contact with other people and to take a PCR test in line with current UKHSA advice.
- We encourage all attendees to wear a face covering while moving around crowded areas of the Guildhall.
- Although not a legal requirement attendees are strongly encouraged to keep a social distance and take opportunities to prevent the spread of infection by following the 'hands, face, space' and 'catch it, kill it, bin it' advice that also protects us from other winter viruses.
- Hand sanitiser is provided at the entrance and throughout the Guildhall. All attendees are encouraged to make use of hand sanitiser on entry to the Guildhall.
