Information with regard to public access due to Covid precautions

- Following the government announcement 'Living with COVID-19' made on 21 February and the end of universal free testing from 1st April, attendees are no longer required to undertake an asymptomatic/ lateral flow test within 48 hours of the meeting however we still encourage attendees to follow the PH precautions we have followed over the last two years to protect themselves and others including vaccination and taking a lateral flow test should they wish.
- We strongly recommend that attendees should be double vaccinated and have received a booster.
- If symptomatic we encourage you not to attend the meeting but to stay at home. Updated government guidance from 1 April advises people with a respiratory infection, a high temperature and who feel unwell, to stay at home and avoid contact with other people, until they feel well enough to resume normal activities and they no longer have a high temperature. From 1 April, anyone with a positive COVID-19 test result is being advised to follow this guidance for five days, which is the period when you are most infectious.
- We encourage all attendees to wear a face covering while moving around crowded areas of the Guildhall.
- Although not a legal requirement, attendees are strongly encouraged to keep a social distance and take opportunities to prevent the spread of infection by following the 'hands, face, space' and 'catch it, kill it, bin it' advice that also protects us from other winter viruses.
- Hand sanitiser is provided at the entrance and throughout the Guildhall. All attendees are encouraged to make use of hand sanitiser on entry to the Guildhall.
- Those not participating in the meeting and wish to view proceedings are encouraged to do so remotely via the livestream link
