Public health guidance for staff and the public due to Winter coughs, colds and viruses, including Covid-19

- Following the government announcement 'Living with Covid-19' made on 21 February and the end of universal free testing from 1st April, attendees are no longer required to undertake any asymptomatic/ lateral flow test within 48 hours of the meeting; however, we still encourage attendees to follow the public health precautions we have followed over the last two years to protect themselves and others including vaccination and taking a lateral flow

test should they wish.

- We strongly recommend that attendees should be double vaccinated and have received any boosters they are eligible for.
- If unwell we encourage you not to attend the meeting but to stay at home. Updated government guidance from 1 April advises people with a respiratory infection, a high temperature and who feel unwell, to stay at home and avoid contact with other people, until they feel well enough to resume normal activities and they no longer have a high temperature. From 1 April, anyone with a positive Covid-19 test result is still being advised to follow this guidance for five days, which is the period when you are most infectious.
- We encourage all attendees to wear a face covering while moving around crowded areas of the Guildhall.
- Although not a legal requirement, attendees are strongly encouraged to keep a social distance and take opportunities to prevent the spread of infection by following the 'hands, face, space' and 'catch it, kill it, bin it' advice that protects us from coughs, colds and winter viruses, including Covid-19.
- Hand sanitiser is provided at the entrance and throughout the Guildhall. All attendees are encouraged to make use of hand sanitiser on entry to the Guildhall.
- Those not participating in the meeting and wish to view proceedings are encouraged to do so remotely via the livestream link.

(NB This Agenda should be retained for future reference with the minutes of this meeting.)

Please note that the agenda, minutes and non-exempt reports are available to view online on the Portsmouth City Council website: www.portsmouth.gov.uk

Deputations by members of the public may be made on any item where a decision is going to be taken. The request should be made in writing to the contact officer (above) by 12 noon of the working day before the meeting, and must include the purpose of the deputation (for example, for or against the recommendation/s). Email requests are accepted.

AGENDA

- 1 Apologies for Absence**
- 2 Declarations of Members' Interests**

3 Referral by the Cabinet member for Planning Policy & City Development "Options for increasing Planning Committee Capacity" (Pages 5 - 22)

Purpose

At the request of the Cabinet Member for Planning Policy & City Development, the Governance & Audit & Standards Committee is invited to consider and make comments on the process and principles of the decisions taken by him on 26 July 2022 in respect of the report "Options for increasing Planning Committee Capacity" which were subsequently 'called-in'.

Recommendations

The Governance & Audit & Standards Committee is invited to make comments on the process and the below decision made on 26 July 2022 that the Cabinet Member for Planning Policy and City Development will reconsider at a future meeting:

That the scheme of delegation for planning decision making be amended by:

1. The deletion of paragraph 53 of Part 2 Section 5B (Director of Regeneration) of the constitution; and
2. The amendment of paragraph 57 of Part 2 Section 5B (Director of Regeneration) of the constitution so that the threshold applied to a requirement for Committee determination is where six or more adverse representations based on material planning considerations have been received.

Members of the public are permitted to use both audio visual recording devices and social media during this meeting, on the understanding that it neither disrupts the meeting nor records those stating explicitly that they do not wish to be recorded. Guidance on the use of devices at meetings open to the public is available on the Council's website and posters on the wall of the meeting's venue.

Whilst every effort will be made to webcast this meeting, should technical or other difficulties occur, the meeting will continue without being webcast via the Council's website.
