Item No	Application No Ward	Location Description of Development	Planning Officer's Comments	Case Officer Proposed Decision
2	16/01200/FUL  Paulsgrove	<b>60 Deerhurst Crescent Portsmouth PO6 4EQ</b>  Change of use from dwelling house (Class C3) to purposes falling within Class C4 (house in multiple occupation) or Class C3 (dwelling house)	One representation has been received from Ward Councillor Potter objecting on the grounds of the HMO will increase parking pressure on an already constrained road to the detriment of the safety of all road users.  The constraints of the site are such that no off-road parking can be provided. The Parking Standards SPD sets the requirement parking for a house within Class C3 to be the same as for a HMO within Class C4. Accordingly it is considered that a refusal on parking grounds could not be sustained. A planning condition could be imposed to secure cycle parking. There are no known HMOs within the area and as such the proposal would comply with policy PCS20 and the HMO SPD.	Nicholas Smith  Tel: 023 9284 1995  <b>Conditional Permission</b>
