

Equality Impact Assessment

Preliminary assessment form v5 / 2013

www.portsmouth.gov.uk

The preliminary impact assessment is a quick and easy screening process. It should:

- identify those policies, projects, services, functions or strategies which require a full EIA by looking at:
 - negative, positive or no impact on any of the equality groups
 - opportunity to promote equality for the equality groups
 - data / feedback
- prioritise if and when a full EIA should be completed
- justify reasons for why a full EIA is not going to be completed

Directorate:

Director of Transport, environment & business support

**Function e.g. HR,
IS, carers:**

Residents' Parking Zone (proposed amendment to existing)

Title of policy, service, function, project or strategy (new or old) :

Review of KA Old Portsmouth residents' parking zone: Proposed reduction of 2 hours' free parking for non-residents to 1 hour.

Type of policy, service, function, project or strategy:

- Existing
- New / proposed
- Changed

Q1 - What is the aim of your policy, service, function, project or strategy?

To improve parking opportunities for residents and their visitors (including carers, health visitors etc) and encourage non-residents to use Pay & Display facilities provided for longer stays, or to encourage consideration of alternative methods of travelling to the area.

Q2 - Who is this policy, service, function, project or strategy going to benefit or have a detrimental effect on and how?

Benefit: Residents and their visitors (including friends, family, carers and health workers). Blue Badge holders are exempt from the current 2-hour time limit, and would continue to be exempt if it were changed to 1 hour. Blue Badge holders could benefit from being able to park closer to their destination more often, given a more regular turnover of vehicles vacating parking spaces.

Visitors to Old Portsmouth and those seeking free parking and walking through to the adjacent Gunwharf Quays venue would be encouraged to use the longer-stay parking provided (not in residential streets) or to consider alternative, more sustainable, modes of transport such as cycling, walking, public transport or car-sharing.

Q3 - Thinking about each group below, does, or could the policy, service, function, project or strategy have a negative impact on members of the equality groups below?

Other excluded groups	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

If the answer is "no" or "unclear" consider doing a full EIA

Q6 - Using the assessments in questions 3, 4 and 5 should a full assessment be carried out on this policy, service, function or strategy?

yes No

Q7 - How have you come to this decision?

Permit parking promotes equality in that it affects all motorists, regardless of race, gender, transgender, sexual orientation, religion or belief or other excluded groups. Improving parking opportunities for Blue Badge holders and residents including pregnant women, those with disabilities, older residents and those who care for them is a positive outcome of parking zones. The proposal to reduce the free parking time from 2 hours to 1 hour has been influenced by feedback from residents, taken from the last 2 surveys. KA permit holders and Blue Badge holders remain exempt from the time limit, whether it changes or not.
