Q7 - How have you come to this decision?

The statement of licensing policy is a statutory requirement and those matters to be included within the policy are set down within the statutory guidance issued by the Gambling Commission in accordance with the Gambling Act 2005.

The policy to be approved by the Council will not have a detrimental effect upon any of the equality groups.

Potentially there could be situations where applicants or licence holders are not clear as to the statutory requirements when making applications where English is not the first language but arrangements are in place for forms to be translated where necessary.
