**Geographical spread of representations received via  
Petition submitted by Councillor Steve Pitt  
re Elegance 149 Albert Road Southsea**

**Wording of Petition:**

*"We are aware that the only grounds to refuse a licensing application are if that application fails to promote the Licensing Objectives laid out in the 2003 Licensing Act.*

*These are:*

- the prevention of crime and disorder*
- public safety*
- prevention of public nuisance*
- the protection of children from harm*

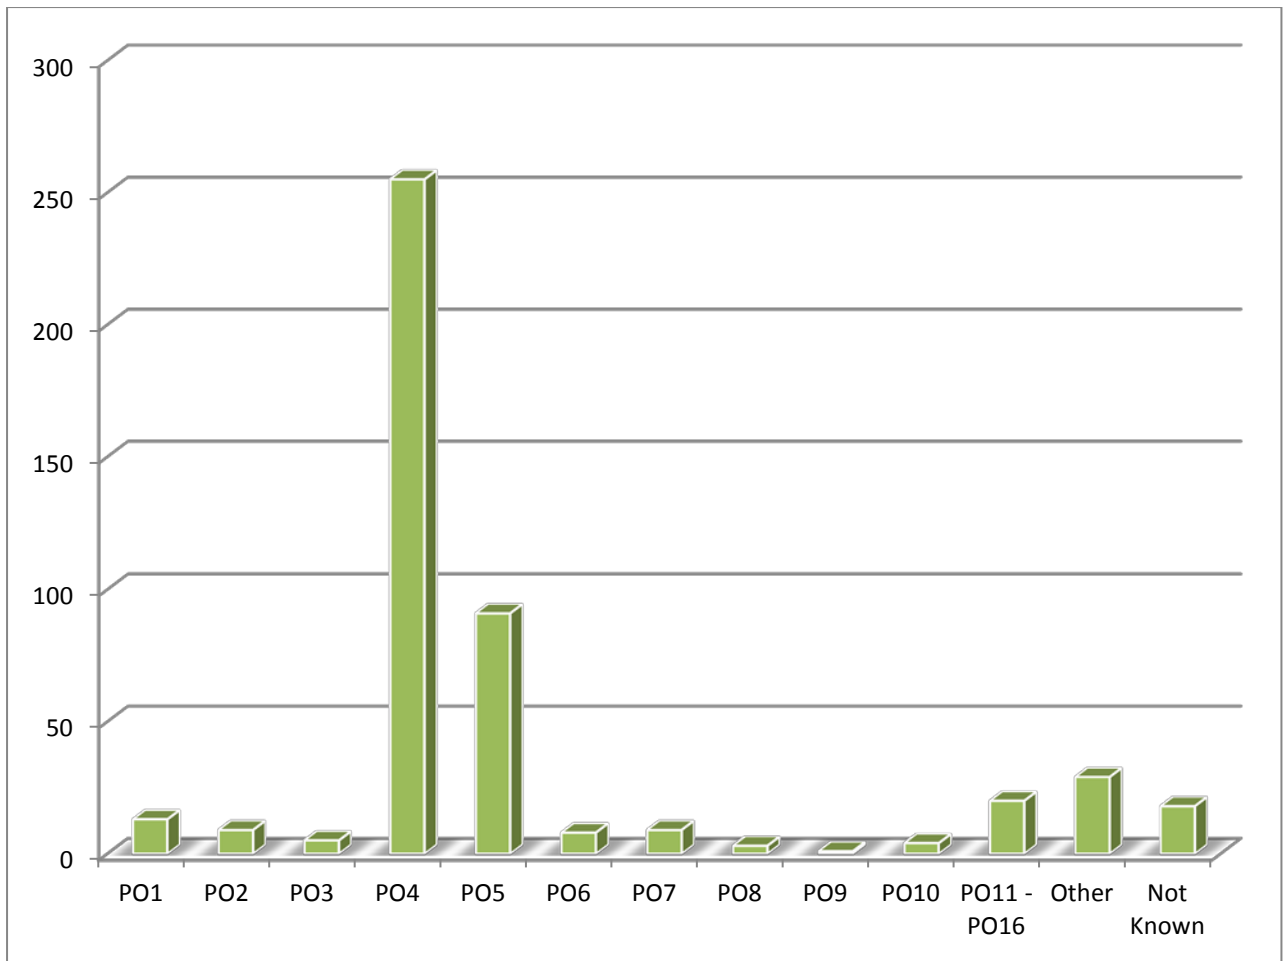

***We believe that a lap dancing venue open at this site in Albert Road will fail to promote 3 of the Licensing Objectives.***

***There is the potential for increased crime and disorder, with customers of this proposed venue arriving from elsewhere in the city, at a time when other venues on Albert Road are closing for the night.***

*There will be additional public nuisance, with cars arriving and picking people up in the early hours of the morning, after all other venues in the vicinity have closed, people outside smoking and the possibility of large groups of individuals leaving at 4am.'*

*There is a requirement to protect children from harm. The adjacent Wedgewood Rooms regularly hosts events with local colleges and young people will be leaving these events at a time when customers will be arriving at the lap dancing club next door.*

*We the undersigned believe that for these reasons, the application to open a Sexual Entertainment Venue at 149 Albert Road should be refused".*

re Elegance 149 Albert Road Southsea**

**Wording of petition:**

Elegance Southsea

*Published by Paul Ojla on 2nd Feb 2018*

**Background (Preamble) :**

Elegance in Southsea is proposing to move to Albert Road, this will be more in keeping with the bustling nightlife of the area and away from its current residential location.

**Reasons to support this move are:**

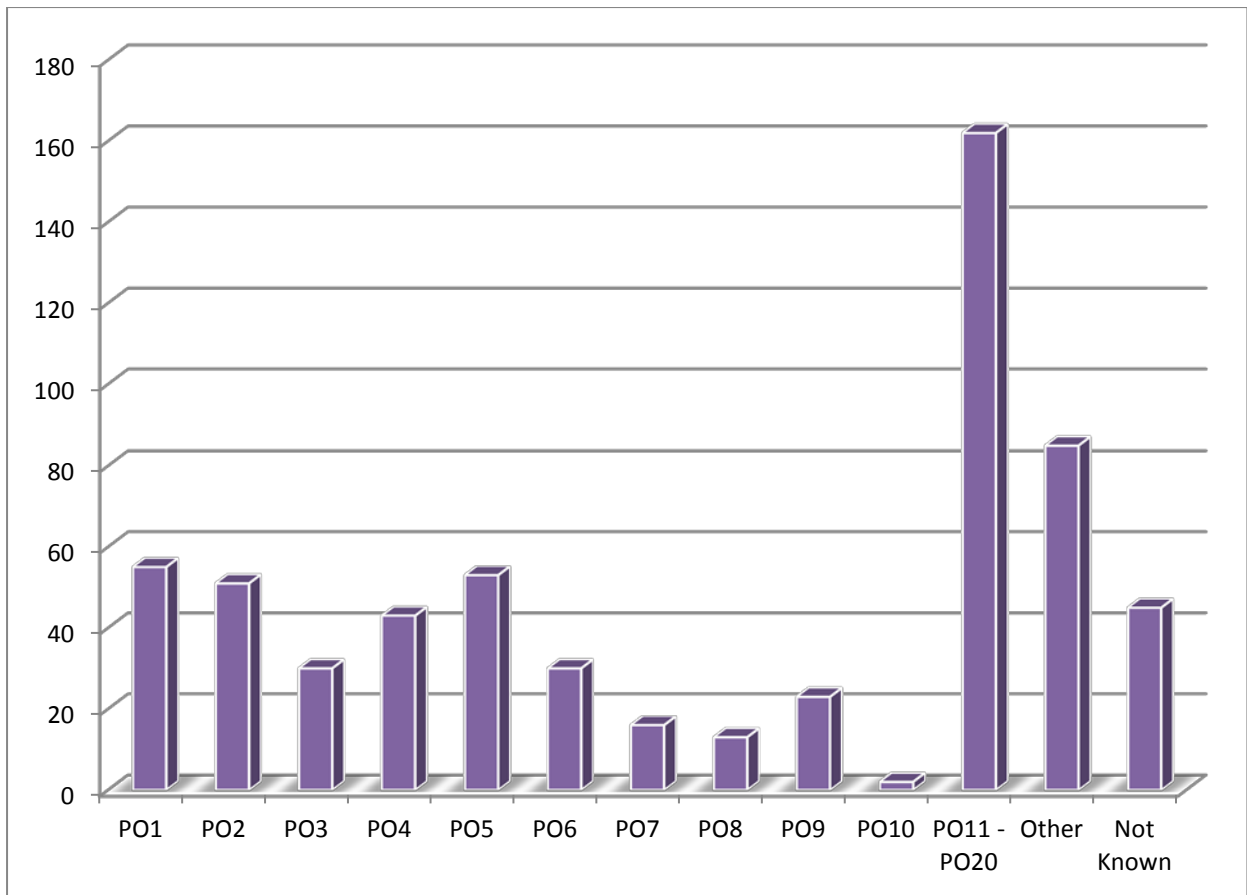

Moving from residential area to more of a commercial/entertainment area. People should have the right to enjoy whatever entertainment they wish. Opening times are after 9pm and so will not affect daytime traders or children. This will help to boost night time economy in the area.

This will not cause any more noise or late night disturbance as the club does not get large numbers of people and they leave in small groups and monitored by door security.

This will NOT be an additional club in the city but a move to a more suitable location for all concerned.

**Petition:**

I the undersigned support the proposed move of Elegance from its current location in Granada Road to Albert Road and call upon the local council to support the licence application.
