1. Purpose of report

The Council is required by section 38(1) of the Localism Act 2011 (openness and accountability in local pay) to prepare a Pay Policy Statement.

The Local Government Transparency Code 2014 further clarifies and describes the information and data local authorities are required to publish to increase democratic accountability.

A Pay Policy Statement must articulate the Council's policies towards a range of issues relating to the pay of its workforce, particularly its senior staff, Chief Officers and its lowest paid employees.

A Pay Policy Statement must be prepared for each financial year, approved by Full Council no later than 31st March of each financial year and published on the council's website. Following the presentation of the Pay Policy Statement in March 2016, the Employment Committee requested that, in order to increase transparency and public accountability, a draft Pay Policy Statement be presented at an earlier stage of the financial year forecasting the pay policy for that year. This is now the final Pay Policy Statement for publication.

2. Recommendations

2.1 That the Employment Committee agrees the draft Pay Policy Statement attached as Appendix 1 to go forward for approval by the Full Council by 31 March 2018.

3. Background

3.1 Increased transparency about how taxpayers' money is used, including the pay and reward of public sector staff is now a legislative requirement under section 38(1) of the Localism Act 2011. The Department for Communities and Local Government published a revised Local Government Transparency Code on 3rd October 2014. The code enshrines the principles of transparency and asks relevant authorities to follow these three principles when publishing the data they hold. These are as follows:

- Responding to public demand
- Releasing data in open format available for re-use; and
- Releasing data in a timely way

This includes data on senior salaries and how they relate to the rest of the workforce (pay multiple).

- 3.2 The Council must have regard to the Secretary of State's guidance "Openness and accountability in local pay: Draft guidance under section 40 of the Localism Act". It is now essential that an authority's approach to pay, as set out in a Pay Policy Statement, is accessible for citizens and enables taxpayers to take an informed view of whether local decisions on all aspects of remuneration are fair and make the best use of public funds.

Approved statements must be published on the authority's website and in any other manner that the authority thinks appropriate, as soon as reasonably practical after they have been approved by Full Council.

- 3.3 The Act also requires that authorities include in their pay policy statement, their approach to the publication of and access to information relating to the remuneration of chief officers. Remuneration includes salary, expenses, bonuses, performance related pay as well as severance payments.
- 3.4 The definition of a chief officer as set out in the Act is not limited to Heads of Paid Service or statutory chief officers. It also includes those who report directly to them.
- 3.5 The Portsmouth Pay Policy statement is attached as **Appendix 1**.
- 3.6 Whilst the Pay Policy Statement relates to the year 2017/18, Members' attention is drawn to the changing shape of the council and the environment in which it operates, and the impact this may have in future on its pay structure. In particular:
- The need for officers to operate across organisational boundaries, e.g. with the health sector and other local authorities
 - The increased commercialisation of the council and the need to recruit and retain suitably skilled staff (who may expect alternative reward packages)
 - The council's role as accountable body for commercial or quasi-commercial bodies
 - The increased specialisation of skills in some employment markets, driving pay inflation that the council's pay structure is not well suited to meet

Members approval will be sought for any significant changes to the Council's pay structure resulting from these, or other factors.

4. Conclusions

The Council is required by the Localism Act 2011, section 38(1) to publish a Pay Policy Statement on a yearly basis which is approved by Full Council.

5. Equality Impact Assessment (EIA)

An equality impact assessment is not required as the recommendation doesn't have a negative impact on any of the protected characteristics as described in the Equality Act 2010.

6. Legal Comments

- 6.1 The Director of HR, Legal and Performance is satisfied the Pay Policy Statement at Appendix 1 meets the legislative requirements under Section 38 Pay Accountability, of the Localism Act 2011 and is in line with the Local Government Transparency Code 2014.
- 6.2 The Council is required to prepare a Pay Policy Statement for the financial year 2017/18 and each subsequent year, which sets out the policies, remuneration and other benefits of its chief officers and lowest paid employees and the relationship between its chief officers and every other officer.
- 6.3 The Pay Policy Statement must be approved by Full Council before 31st March 2018 and can only be amended thereafter by resolution to Full Council.

7. Finance Comments

There are no financial implications arising from the recommendations contained within this report.
