It's always seemed odd to me that most of Pembroke Park is in AA but Chatham Drive is in AB. There may well be a good reason but I thought it would make sense if the whole thing was in one polling district.

Councillor Tom Wood

Representation 2

KA and KB work better in my opinion when they are together at one station. I propose going back to Northern Parade due to the proximity of it being in the middle both polling districts.

Also it is worth noting, it would be much more difficult to park for the proposed KA site at Alexandra Bowls club. This is something which has been picked up from residents with regards to the recent changes in the last two years with KA being at the Christian Science Church.

KE is the box which is currently at College Park which is outside the ward and turnout suffered because of this. I think the Phoenix Public House would be a good alternative for this site as it is in the middle of the ward and has a separate bar area which could be used for polling day.

Councillor Scott Payter-Harris
