Dear Mr Barrow

The hours of opening and closing do not have to go on the public notice. If the application is granted 24 hours for the sale of alcohol the premises will also open 24 hours. If the application is refused then the hours will stay as existing.

Regards.

Subject: Ref: 19/03898/LAPREM

Dear Sir or Madam

I have a query regarding the current application made by ASDA, Bridge Shopping Centre, in Fratton to vary their premises licence, Ref: 19/03898/LAPREM. The public notices which are on display state that the application is to vary the times at which alcohol can be sold, and late night refreshment.

In Section 15 of 18: Hours Premises Are Open To The Public, the application states 00:00 to 24 hours Monday to Sunday. These times do not correspond with the current opening times, so are these times going to be when ASDA propose to stay open for general retail shopping, or do they refer solely to times when ASDA proposes to sell alcohol and late night refreshment? If these are to be new store opening times this has not been made clear on the public notices, only information concerning licensing variation and late night refreshment.

Also, Sunday trading laws state that large retail premises cannot open for more than 6 consecutive hours between 10am and 6pm.

Yours sincerely

Timothy Barrow.
