Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

The policy will inform all residents about, and make them more resilient to financial abuse. The greatest benefit will be felt by vulnerable residents and those who may have already been targeted.

How will you measure/check the impact of your proposal?

we record the number of interventions we make based on the referral we receive. we can also record the number of friends recruited. NTS Scams team have a credible model to calculate the monetary value of both interventions and friends recruited.

A - Communities and safety

Yes

No

Is your policy/proposal relevant to the following questions?

A2-Housing - Will it provide good quality homes?

In thinking about this question:

- How will it increase good quality affordable housing, including social housing?
- How will it reduce the number of poor quality homes and accommodation?
- How will it produce well-insulated and sustainable buildings?
- How will it provide a mix of housing for different groups and needs?

Please expand on the impact your policy/proposal will have, and how you propose to mitigate any negative impacts?

It has been proven that vulnerable or elderly people who are exposed to financial abuse are nearly 3 times more likely to go into full time care. Therefore any prevention or education and or intervention by us has the potential to significantly impact on the ability of those residents to remain physically and mentally healthy and in turn live independently.

How are you going to measure/check the impact of your proposal?

We record the number and effectiveness of our interventions, plus in conjunction with NTS scams team record the number of friends recruited.
